(2) **Air Stage Service—Mont Joli, P.Q.-North Shore of the St. Lawrence.**—The air stage service—Mont Joli-North Shore of the St. Lawrence River (C.A.M. 42 in Air Mail Schedules) for the winter season 1946-47 is now in operation.

Postmasters are reminded that the rates of postage applicable to mail conveyed over this air stage service are as follows:—

The Summer Air Service between Mont Joli and Baie Comeau, P.Q., (C.A.M. 42A in Air Mail Schedules) has been discontinued. However, parcels prepaid at the following air parcel rates:—

15c. per lb. or fraction of a pound up to and including 10 lb.
$1.80 per parcel over 10 lb. up to and including 15 lb.

$3.00 per parcel over 20 lb. up to and including 25 lb.

will be carried over the above air stage service between Mont Joli and Baie Comeau, P.Q.

(3) **Air Stage Service—Magdalen Islands.**—With reference to Notice No. 2 in the December 1946 Supplement the air stage service Charlottetown-Magdalen Islands now operates on a year round basis. The frequency is semi-weekly each way. This air stage service will be supplementary to the regular steamer service between Pictou, N.S., Souris East, P.E.I., and the Magdalen Islands.

All mail addressed to or mailed in the Magdalen Islands is subject to the following rates of postage.

$3.00 per parcel over 20 pounds up to and including 25 pounds.

All first class mail will be forwarded by air the year round. During the season of navigation, second, third and fourth class matter will be carried by steamer service at ordinary postage rates.

(4) Reduced rate of Postage on Books circulating to and from recognized Public Libraries.—Postmasters are informed that the reduced rate of postage now applying on library books circulating between recognized libraries and their patrons, within the province of mailing, has been extended to such books passing between recognized libraries and their patrons, anywhere within Canada.

This reduced rate of 5 cents for the first pound and 1 cent for each additional pound or fraction thereof, which must be prepaid by the library at the time of mailing, includes both the outgoing and return postage on the books.

Books returned by library patrons will bear a printed label similar in design to that appearing in Section 117, Page 28 of the 1944-45 Postal Guide, and as the return postage on these books will have been prepaid by the library, the books are to be accepted for return to the library without payment of further postage.

(5) Re: Sale of Unemployment Insurance Stamps.—Information has been received from Headquarters of the Unemployment Insurance Commission that there remain a considerable number of post offices where some of the regulations are not followed when Unemployment Insurance Stamps are sold to employers. Postmasters are reminded that the following regulations are to be strictly observed at all times:—

1. Licensed employers, or their representatives, must always present their licences when purchasing these stamps. At the same time, they must also present requisition forms, U.I.C. 419–420, properly completed in duplicate, one copy of which is to be date-stamped and handed back to the employer, the other retained by the postmaster.
2. The copies of the employers' requisition forms, U.I.C. 419–420, which are retained by the postmaster, must be carefully date-stamped and filed, and when on hand despatched in envelope U.I.C. 699 (English) or 700 (French) not less frequently than once each week to the Unemployment Insurance Office in the city where the postmaster's District Office is located.
3. It is the duty of the postmaster to see that the employer's name, address and licence number on forms U.I.C. 419–420 agree exactly with the relative information on the employer's licence.

(6) C.O.D. Remittances.—Attention is directed to Notice No. 14 in the Post Office Weekly Bulletin of the 26th October, and to Notice No. 6 in the November 1946 Supplement, which direct that when more than one money order is made out by an accounting office for the same sender, in payment of a C.O.D. article, the money orders may be despatched to the sender in the one envelope, No. 30¾.

The foregoing instructions are now cancelled and, in future, in each instance where a money order is issued in payment of a C.O.D. article, a separate envelope No. 30¾ is to be used for the despatch of the money order to the sender of the C.O.D. article. In every case, the correct C.O.D. number is to be endorsed on the face of the envelope in the space provided for that purpose.

(7) Inflammable Articles Found in Parcels to the United Kingdom.—The United Kingdom postal authorities report that parcels, containing, among other articles, bottles of nail varnish and nail varnish remover, are being received in the mails from Canada.

Owing to the highly inflammable nature of these substances, it is considered that their inclusion in the mails may have serious consequences. Therefore, effective immediately, any parcels containing the above items are not to be accepted for onward transmission in the mail.

It is further stated by the United Kingdom postal authorities that nail varnish preparations received from other countries are liable to customs duty and are also chargeable with Purchase Tax.

(8) Gift Parcels for United Kingdom and Other Countries.—Foreign Exchange Control Board Form B (which is combined with Customs export entry Form B-13) is not now required for gift parcels containing goods of a value not exceeding $25.00, addressed to the United Kingdom and other countries.

It should also be noted that in accordance with previous instructions export permits issued by the Department of Trade and Commerce are not required in the case of gift parcels valued at not more than $25.00, addressed to the United Kingdom and other countries.

(9) Gift and Food Parcels—No Insurance Service to Certain Other Countries.—Information has been received that gift and food parcels addressed to overseas destinations are being accepted for insurance at a number of post offices.

It should therefore be specially noted by all concerned that parcel post insurance is still suspended to many countries overseas, and that parcels containing food cannot be insured to any destination overseas.

(10) Resumption of Service for Newspapers and Periodicals to the British Zone in Germany.—Information has been received from the authorities Overseas that, effective immediately, newspapers magazines, and periodicals up to a maximum weight of one pound per packet may be sent to individuals in the British Zone of Germany and the British Sector of Berlin, provided such publications are printed in the English language. No message of any sort may be enclosed, or added.

This arrangement is not available to the French, United States or Russian Zones of Germany. Packets should not be directed to Berlin unless the sender knows the address is in the British Sector.

The usual rate of 1c. per two ounces will apply. As far as possible, mailers should be advised accordingly.

(11) **Philippine Islands—Registration Service.**—Effective immediately, in addition to the cities listed in Notice No. 4 of the Bulletin of 2nd February 1946, letters in their usual and ordinary form may be accepted for registration to the following cities in the Republic of the Philippines:

City	Province of
Tabaco	Albay.
Aparri	Cagayan.
Virac	Catanduanes.
Tagaytay City.[1]	
San Pablo City.[1]	
Iligan	Lanao.
San Jose	Mindoro.
Baguio City.[1]	
Dagupan	Pangasinan.
Quezon City.[1]	
Dipolog	Zamboanga.

[1] "Chartered" City, not in any province.

(12) **Withdrawal of Postal Privileges for Mail to Members of the Armed Forces Overseas.**—Effective December 31, 1946, ALL SPECIAL POSTAL RATES AND PRIVILEGES granted during the War, on mail to members of the Armed Forces Overseas (Army, Navy and RCAF) and Merchant Navy, HAVE BEEN WITHDRAWN.

At the same time, personnel of the Armed Forces Overseas will use civilian addresses entirely and the inscriptions—

"Canadian Army Overseas"
or
"Royal Canadian Air Force Overseas"

formerly included in the address, are no longer to be used. In any event, such endorsations would no longer entitle such mail to preferential rates.

LETTER MAIL

The above means that effective December 31, 1946, letter mail addressed to members of the Armed Forces Overseas, must be prepaid at the rates applicable to the country of destination, instead of the special Armed Forces rates which have hitherto applied.

Regular air mail and Canada Air Letters, addressed to personnel of the Armed Forces Overseas, are also subject to the usual civil postage rates on and from December 31, 1946.

PARCEL POST

On December 31, 1946, the special parcel post rate of 12c. per pound to members of the Armed Forces Overseas was rescinded and civil parcel post rates and conditions now apply on all parcel post.

The special Customs Declaration label for Armed Forces parcels mentioned in Notice No. 6 of Weekly Bulletin of June 9, 1945, is, therefore, no longer to be used. Any supplies on hand are to be returned immediately to the Equipment and Supply Branch for disposal, and the regular Customs Declaration Form (91-B) must be used in future.

POSTMASTERS WILL PLEASE GIVE THE ABOVE WIDE PUBLICITY.

Withdrawal of Free Postal Privileges Canadian Forces Overseas.—During and since the War, personnel of the Canadian Armed Forces on Active Service Overseas enjoyed the privilege of forwarding surface letters to Canada, under certain prescribed conditions, free of postage.

With the return of the Canadian Forces to Canada, this privilege was withdrawn on December 31, 1946, and from that date letters, from members of the Canadian Armed Forces still overseas, are subject to the usual rates of postage applicable in the country of mailing.

(13) **Mail Service to Austria.**—Letters, Packages prepaid at letter rates, printed and commercial papers, weighing up to the normal limit of 4 lb. 6 oz. may now be accepted for transmission to Austria.

Registration service is available.

The name of Austria should be added to the list of countries to which gift packages prepaid at letter rates may be sent, published in the Weekly Bulletin of 20th April, 1946.

(14) Mail Service to Greece.—Information has been received from the postal authorities of Greece that the special concession as regards exemption from customs duty on gifts of clothing, food and medicine sent to that country will be withdrawn on 31st December, 1946, regardless of the date of mailing of such articles.

Whenever possible, mailers should be advised accordingly.

(15) Parcel Post—Albania.—The rates of postage on parcel post parcels from Canada to Albania have been revised and until further notice will be as follows:

				Over 10 lb. up to 15 lb.	Over 15 lb. up to 20 lb.
1 lb.	$1.00	6 lb.	$2.10		
2 lb.	1.20	7 lb.	2.25		
3 lb.	1.40	8 lb.	2.60		
4 lb.	1.70	9 lb.	2.80	$4.25	$5.25
5 lb.	1.90	10 lb.	3.00		

(16) Parcel Post to Germany—No Service to Berlin.—Information has been received that gift parcels are reaching Montreal British and Foreign Section addressed for delivery in the City of Berlin, and are consequently returned to the mailers as non-transmissible.

It should, therefore, be specially noted by all concerned that, in accordance with notice No. 4 in the Bulletin of the 26th October 1946, the gift parcel service to civilians in the British Zone of Germany does not extend to the British Sector of Berlin. Parcels for Berlin are not to be accepted for transmission, and if deposited in receptacles, they are to be returned direct to the senders.

(17) Parcel Post—Switzerland.—The rates of postage on parcels from Canada for Switzerland have been revised and, until further notice, will be as follows:—

				Over 10 lb. up to 15 lb.	Over 15 lb. up to 20 lb.
1 lb.	$0.65	6 lb.	$1.50		
2 lb.	0.80	7 lb.	1.60		
3 lb.	1.15	8 lb.	1.95		
4 lb.	1.25	9 lb.	2.05	$3.25	$4.00
5 lb.	1.40	10 lb.	2.20		

(18) Reduction in Parcel Post Rates to the United Kingdom. Effective January 1, 1947.—Postmasters are informed that as a result of negotiations with the Postmaster General of the United Kingdom, it has been possible to reduce the postage rates on parcels despatched from Canada to the United Kingdom.

As a consequence, parcel post rates to the United Kingdom on and after January 1, 1947, will be as follows:

				Over 10 lb. up to 15 lb.	Over 15 lb. up to 20 lb.
1 lb.	$0.25	6 lb.	$1.00		
2 lb.	0.40	7 lb.	1.15		
3 lb.	0.55	8 lb.	1.30		
4 lb.	0.70	9 lb.	1.45	$2.00	$2.50
5 lb.	0.85	10 lb.	1.50		

It should be observed that these rates are subject to revision in accordance with any variations in transportation charges.

POSTMASTERS WILL PLEASE GIVE THE ABOVE WIDE PUBLICITY.

(19) Parcel Post Rates to Other Countries.—Postmasters will find hereunder a revised Table of Parcel Post Rates from Canada to other Countries, which supersedes the information given in the 1944-45 Postal Guide. Any changes should be noted in their Postal Guide.

MONEY ORDER INFORMATION

MONEY ORDERS MAY BE DRAWN ON ANY POST OFFICE IN THE PHILIPPINE ISLANDS

In connection with the notice regarding the issue of Money Orders on the Philippine Islands (Manila only) published in the Supplement to the Canada Official Postal Guide for the month of January, 1946, Postmasters are informed that the United States Postal Administration has notified this Department that all Post Offices, which were in existence in the Philippine Islands prior to the war, have been authorized to pay Money Orders. Postmasters in Canada may, therefore, issue Money Orders for payment at any Post Office in the Philippine Islands.

COUPON ADVICES OF NEWFOUNDLAND MONEY ORDERS ENCLOSED WITH RETURNS INSTEAD OF MONEY ORDERS

In transmitting Money Orders issued in Newfoundland and paid in Canada, Postmasters transmit the coupon advices instead of the money orders with the Money Order Return.

As there is a similarity between the coupon of Newfoundland money orders and the money order, it is requested that postmasters exercise the utmost care to see that the money orders are forwarded with returns and that the coupon advices are retained in the Post Offices with the coupons of paid money orders.

REMITTANCES TO CHINA FOR MISSIONS, MISSIONARIES AND BENEVOLENT PURPOSES

Effective at once, there will be no charge for the transmission of remittances from New York to China via Air Mail.

The air mail fee of 70c. must, therefore, not be collected from the remitter. The required corrections must, therefore, be made in the instructions received by Postmasters from their District Director on or after the 10th May, 1946.

The "registered code" and the "standard" cablegram fees of $1.00 and $3.00 (U.S. Money) respectively, remain the same.

CLAIMING POSTAL NOTE SCRIP

In connection with Postal Note Scrip Forms P.N. 110 to 114 inclusive (one form for each denomination of scrip) Postmasters are reminded that the scrip must be cancelled, affixed to the relative denominational form and the completed forms date-stamped, office No. stamped and the total amount of the completed forms entered in the proper space in the Money Order Return. The total claimed must be carried to Item 22 of the Cash Account and the forms forwarded with Postal Notes paid.

TABLES FOR CONVERTING CANADIAN MONEY INTO STERLING AT RATES $3.01 TO $3.40 INCLUSIVE

Postmasters are advised that tables for converting Canadian money into sterling at the rate of $3.01 to $3.40 inclusive are now available, and a set was forwarded to each Postmaster with the Post Office Weekly Bulletin for the 14th December, 1946.

Upon receipt, the tables are to be inserted in the Book of Financial Procedure, preceding the present tables, which commence at $3.41.

If a set of the new rates was not received or if more than one set is required, Postmasters are to advise the Equipment and Supply Branch with the least possible delay.

INFORMATION FOR POSTMASTERS

(1) **Retirement of Departmental Officials.—**

Mr. H. E. Atwater, Financial Superintendent, after almost 40 years' service, has been granted retiring leave from 16th January 1947, to be followed by superannuation.

Mr. W. J. Cantwell, Chief Inspector, who has served the Post Office Department for 46 years, has been granted retiring leave from 14th January 1947, preceding superannuation.

(2) **Courtesy and Service win appreciation.**—Congratulations to the Postmaster and staff at the Dutton, Ontario, Post Office. Some very complimentary things have been reported about the courtesy and efficiency shown at this post office.

In this connection a patron in a letter to the Postmaster General has stated in part:

> "A few months ago we came to Dutton—utter strangers—your Postmaster here is not a worker of miracles, but the Christmas spirit personified.
>
> There was no knee deep confusion visible behind wickets—the mails moved in and out on apparent schedule—the extra help didn't fumble and fume—there were no lost tempers—nothing but the same quiet and affable courtesy we've so enjoyed since coming to Dutton Post Office."

(3) **Perishable Articles to be Kept from Heat.**—Parcels containing perishable articles should be distinctly labelled "Perishable" and the bags in which they are placed similarly marked. Under no circumstances should these "Perishable" parcels or bags be placed in close proximity to the heating apparatus.

(4) **Similarity in Post Office Names.**—Care is to be exercised in the sortation of mail for Cadillac, Sask., and Cadillac, P.Q., Fosston, Sask., and Fosterton, Sask., Harmsworth, Man., and Wandsworth, Sask.

The Postmaster at Stoughton, Sask., reports that mail intended for Stoughton, Mass, U.S.A., and Hughton, Sask., is being sent to his office.

(5) **Mail Bags Must be Securely Fastened.**—It has been brought to the attention of the Department that occasionally mail bags which are equipped with locks are found open while in course of transmission, apparently in consequence of not having been locked properly at the despatching office.

This most serious irregularity has been observed more particularly insofar as mail bags despatched via baggage car services are concerned.

Postmasters are urged to take steps to ensure that before being used to despatch mail of any kind, all mail bags are in good condition, and that in the case of letter bags and parcel bags with locks that each bag is locked SECURELY before it leaves the Post Office. In each instance the lock must be tested to see that it is in good working order and not defective.

(6) Gift Parcel Post Service to Germany.—Effective immediately, the gift parcel post service from Canada which was formerly in operation to the British Zone of Germany only, has now been extended to include all parts of Germany (American, British, French, and Russian Zones, including all sectors of Berlin), subject to the following conditions—

The contents are limited to essential relief items, such as non-perishable foods, clothing, underclothing, soap, shoes, mailable medicine and other similar items for the relief of human suffering. No writing or printed matter of any kind may be included, and such parcels are subject to censorship in Germany.

The total weight of a parcel must not exceed 11 pounds.

The total value of the contents of a parcel must not exceed $25.00.

Parcels cannot be insured.

The sending of parcels is limited to private citizens and must not be undertaken by relief organizations and others.

The naming of addressees, other than the known ultimate addressee, for the purpose of evading the limitation of the service, is prohibited.

Only one gift parcel per week may be sent by or on behalf of the same sender to or for the same addressee.

The parcels are restricted to gifts addressed to private individuals and must not include items of a commercial nature.

The contents are to be listed in detail on the covering Customs Declaration with the weight and value also indicated thereon.

Senders are advised to endorse the Customs Declaration and the wrapper of each parcel "GIFT PARCEL".

Attention is particularly directed to the fact that the acceptance of a parcel by the Canadian Post Office does not affect the liability of its contents to customs or other charges in Germany.

Certain articles of value, such as new wearing apparel, may be subject to import restrictions in the country of destination, however, and senders would be well advised in their own interests to ascertain from the addressee whether the articles they intend to send to relatives and friends would be exempt from such restrictions.

In order to avoid delays in delivery, parcels should bear the following information whenever possible:

(1) Name of addressee
(2) City or Locality
(3) Street and Number
*(4) Province
(5) Number of Postal District
*(6) Zone of Occupation
(7) Germany

* Except in case of Berlin.

Undelivered gift parcels will not be returned to senders but will be turned over to authorized German relief organizations for distribution to the needy.

For the present, Montreal will be the only Canadian Exchange Office for the despatch of parcel post to Germany, and all parcels should be forwarded to "Montreal British and Foreign" for disposal.

POSTAGE RATES:

(7) Mail Service to Austria.—The Austrian Postal Administration has advised that correspondence is being received in that country the address of which includes the directions "Ostmark" "Gau", "Wien (Deutschland)", "Niederdonau", "Oberdonau", etc

The above particulars are no longer correct and mail should be directed to "Österreigh (Austria)." "Bundesland", "Wien (Österreich)" or "Vienna (Austria)", "Niederösterreich" (Lower Austria), "Oberösterreich (Upper Austria)".

So far as possible Canadian mailers should be advised accordingly.

(8) **Mail Service to Japan.**—Effective immediately letters not exceeding one ounce in weight will be accepted for transmission to Japan.

Business communications of a nontransactional nature, limited to the ascertainment of facts and exchange of information may also be mailed. The transmission of documents such as birth, death or marriage certificates, wills, legal notices, etc., is permitted.

In addition to the languages previously allowed: English, Chinese, Japanese, French, Korean, Russian and Spanish, letters and post cards may now be written in Portuguese as well.

The enclosure of checks, drafts, securities, currency or other financial instruments is prohibited.

(9) **Mail Service to Macao.**—Registration service is now available to Macao.

(11) **Parcel Post to Greece.**—Information has been received from the Postal Administration of Greece that, owing to the abnormal cost of transportation in that country under present conditions, postage at their domestic parcel post rate is being levied as a temporary measure on parcels received in Greece from abroad, and collected from the addressees.

This surcharge collected in Greece will not affect the rates applicable in Canada on parcels to that country, which remain unchanged.

So far as possible, Canadian mailers should be advised accordingly.

(12) **Parcel Post—Switzerland.**—As a result of the revision in the charges which Canada is required to pay for the conveyance of parcels from Canada to Switzerland, the rates of postage have been altered at certain weights and until further notice will be as follows:

INFORMATION FOR POSTMASTERS

(1) **A Message from W. J. Turnbull, Deputy Postmaster General.**—Good, sound workable ideas are the foundations of progress and efficiency—and our Postal Service itself is a concrete example of constructive thought and planning put to work.

The growth of Canada has gone hand in hand with the seeking out, and the development of our natural resources and experience has shown that there is always a place for the man with a sound idea. Indeed, Emerson himself wrote that if a man made a better mousetrap than his neighbour the world would beat a path to his door.

Let us not be too complacent in the Post Office; we might ask ourselves whether we were really developing our natural resources or whether, through lack of original thinking on our part, we are ignoring golden opportunities, because we do not prospect for ideas among our employees of all levels.

Such ideas are part of the Post Office's natural resources and we should remember that no single person or any particular group ever has a "corner" on them all. Like the gold mine up north which may lie unnoticed beneath the prospector's feet, these ideas are just waiting to be brought to light.

More and more it is becoming apparent that the round table discussion—the Staff Conference—holds an unequalled place as the clearing house for the exchange of views, the development of ideas—the settling of knotty points and the promotion of intelligent and constructive interest of personnel generally in postal matters.

In my visits to our various Post Offices it occurred to me that our executives and our supervisors should be prospectors themselves—ever seeking to develop the wealth of ideas which lies all around them. That is why the Training Programme places such stress on group discussions.

Postmasters and high executives should call in their supervisory officers for free discussion, and supervisors in turn should never fail to get round the table with officials of lower classifications or seek out their individual opinions.

As you know the Round Table discussion is not only a bolster for the morale of a junior ranking officer but it is sure to increase his interest in his work by making him conscious that his opinion may be valuable, and that he is far more than a mere cog in a great and impersonal machine.

Men who are not asked their opinions are frequently, because of diffidence, etc., quite unlikely to volunteer them, and yet they may be full of good workable ideas which need only be encouraged to be brought out.

An old timer, for instance, working at the same sorting case year after year, following some traditional process—perhaps long since obsolete—he might not be able to tell you why he does his work in that particular way—but he might tell you how that work could be more efficiently arranged in view of changed conditions. Many a time a junior can supply a fresh viewpoint.

The chilling thought may occur to a supervisor that to ask the opinions of subordinates—or if one is a subordinate—to offer an opinion or suggestion—might imply a criticism of existing methods of management. In must never be thought that the Post Office has already reached perfection in its operations, and that it would regard any constructive criticism as a challenge of the existing order—and not far short of a form of heresy. No system, however sound, is beyond improvement and no criticism, offered in a constructive manner is something which we must shun at all costs.

On the contrary the whole history of our civilization—including our present democracy has been based on change, innovation, new ideas, and the courage to scrap old ideas and put new ones into practice.

"Old order yieldeth changing place to new" expresses this thought in its clearest sense.

If the Post Office had feared criticism on the grounds of innovation postal service would have stopped before the post chaise succeeded the mounted courier, or the steam vessel the slow old sailing packet, but today we see ourselves in the age of Air Mail, new methods—new procedures, and new ideas.

Since the Postal Service as a whole does not fear any constructive idea which will improve its facilities, no executive or supervisor should object to any critical suggestion which will improve the work of his division or section. By all means let us develop the round table conference and also encourage our personnel as individuals, to offer constructive opinion anywhere and at any time.

W. J. TURNBULL,
Deputy Postmaster General.

(2) Honour W. J. May.—Over two hundred attended the testimonial dinner at the Hotel London, London, Ontario, on the evening of February 5 when W. J. May, District Director of Postal Services was honoured prior to his retirement. W. J. Turnbull, Deputy Postmaster General, who had flown from Ottawa, on behalf of the District and London employees, with a few well chosen words presented an illuminated address and a wallet containing a cheque, to Mr. May, and a bouquet of roses to Mrs. May. Officials present included: R. H. MacNabb, Chief Superintendent, Railway Mail Service: A. M. Gibson, and J. P. Allen, District Directors of Postal Services, Toronto and North Bay respectively; W. M. MacLean, Postmaster, Hamilton; J. W. Stewart and W. E. Pearson and Postmasters from places throughout the London district.

(3) Four generations of Postmasters.—With the appointment last month of John C. Van Vliet as Postmaster at Lacolle, P.Q., four generations of his family have held that office in unbroken succession. First was Traver Van Vliet, his great grandfather, 1838, next his grandfather, George Van Vliet, 1876, then his father, the late George J. Van Vliet 1915-1946. The present Postmaster acted as assistant to his father. This record of the Van Vliet family seems to be unsurpassed in the Canadian Post Office.

(4) Patrons honour Letter Carrier.—Eloquent testimony to the sort of service that Letter Carrier Peter Boyd had provided the residents of the Lakeview District, Regina, was given at a special gathering held in the Regina Post Office to honour him on his retirement. Mr. Boyd, who had served the district for 33 years, received a cheque for over $300 from the chairman of a group representing some 240 families along his route.

(5) London Postal District re-arrangements.—When Mr. W. J. May, the District Director of Postal Services, London, commences his retiring leave on February 6, certain organization changes will be made effective in that district.

Matters relating to the administration and operation of the Post Office will be placed under an Acting Postmaster, and those which relate to the District Office as distinct from the Post Office willbe placed under an Acting District Inspector.

Pending further developments, Mr. J. W. Stewart has been assigned to the position of Acting District Inspector, and Mr. W. E. Pearson to the position of Acting Postmaster.

(6) Transmission of Day-old Chicks by Parcel Post.—As the season is about to commence during which live day-old chicks may be shipped at parcel post rates at the risk of the sender to places within Canada and the United States, Postmasters are requested again to read the section on page 35 of the Canada Official Postal Guide, outlining the manner in which such shipments should be prepared before acceptance for transmission at parcel post rates.

(7) Letter Carrier Delivery Service established at Kelowna, B.C.—A letter carrier delivery service has been established at Kelowna, B.C., and the name of this Post Office should be added in alphabetical order to the list in Section 11, Page 15 of the Postal Guide, at which points letters and parcels prepaid for special delivery may be delivered by special messenger. (See also Section 123 of the Postal Guide regarding special delivery of parcels.)

(8) Reduced rate not applicable on library books conveyed over Air Stage Services.—Postmasters are informed that the reduced rate of 5 cents for the first pound and 1 cent for each additional pound or fraction thereof on library books circulating between recognized libraries and their patrons, does not apply to such books passing between libraries and their patrons at post offices served by an Air Stage Service.

(9) Similarity in Post Office Names.—Care is to be exercised in the sortation of mail for the following offices:

Arden, Ont.....Auden (non P.O. point) served from Minataree, Ont.
Langdon, Alta.....Langdon, Ont. (non P.O. point) served from Oba, Ont.

(10) Return of undeliverable foreign letters.—The Dead Letter Office again draws attention to the necessity for greater care being exercised in the treatment of foreign letters which fail of delivery in Canada. It appears that some Postmasters and Railway Mail Clerks are treating foreign letters as though they should be placed in the mails for direct return to the country of origin.

Undeliverable foreign letters, even those bearing a return address (other than those originating in Great Britain—including Northern Ireland and Ireland (Eire),—Newfoundland, the United States, Mexico, Switzerland, Argentina, and Straits Settlements) should be forwarded to the District Dead Letter Office or in case of city Post Offices to the Chief Inspector, Post Office Department, Ottawa, marked "For Dead Letter Office".

(11) Air Mail Rate from United Kingdom to Canada.—The United Kingdom Postal Authorities advise that the air postage rate from the United Kingdom to Canada has been reduced from 1/3d to 1/-d per half ounce for letters and from 7d to 6d each for postcards. The 6d air letter service will remain unchanged.

Any such air mail prepaid the abovementioned rates is not to be surcharged but delivered to the addressee in the usual way.

(12) **Air Mail Service to the Republic of the Philippines.**—Effective immediately, the normal weight limit of 4 pounds 6 ounces will apply to air mail for the Republic of the Philippines.

All such correspondence appropriately prepaid at the air mail rate of 25c. per quarter ounce or fraction thereof should be forwarded to "Vancouver Foreign" for onward despatch.

(13) **Canada Air Letters.—Indiscriminate distribution undesirable.**—It has been observed that Canada Air Letters which are being used to a greater extent than ever for communication with overseas destinations are being supplied by Post Offices to mailers in excessive quantities—far beyond the requirements of the individuals concerned.

It appears that the wicket or other Post Office clerks engaged in these duties are handing out the forms indiscriminately, despite the fact that the prospective mailer might require only one or two for his immediate needs.

As a matter of fact, it is known that in some cases anywhere from five to ten Air Letters have been given as a routine matter to mailers who at the most might need about two of them.

When this occurs, the forms eventually are used for scrap paper and scribbling instead of for the purpose intended.

These Canada Air Letters in the present form are worth approximately 1c. each, and it will readily be seen how a considerable loss to the Department results when they are distributed in abnormal quantities.

Postmasters are therefore asked to see that greater care is taken in the distribution of Canada Air Letter forms. Only the minimum requirements of mailers should be met and possible wastage discouraged in every way.

(14) **Canada Air Letter Service.**—Under present arrangements Canada Air letters prepaid at the appropriate rates for ordinary air mail letters may be used in communicating with countries to which the special service does not extend.

In view, therefore, of the reduced air mail rates now prevailing to other countries, insufficiently prepaid Canada Air Letters should be forwarded to destination rated for the collection of double the deficient postage.

Insufficiently prepaid Canada Air Letter forms are not to be held in future for the collection of the deficiency from the mailer. They are not to be returned to the mailer as non-transmissible when addressed to the countries to which this service does not extend, but are to be treated as outlined above.

(15) **Gift Parcel Service to the Netherlands.**—The Postal Administration of the Netherlands has announced that, effective 1st March 1947, the importation in gift parcels exchanged between individuals of more than 200 cigarettes, or more than 250 grammes (about 8 oz.) of cut tobacco, per month is prohibited.

Cigarettes or tobacco, enclosed in gift parcels to the Netherlands, exceeding the quantities permitted will be confiscated by the Customs authorities in that country, unless the parcels are returned to the senders.

Canadian mailers should be advised accordingly, whenever possible.

(16) **Yellow Label to be affixed to Gift Food Parcels to the United Kingdom.**—A yellow label No. 61—"Gift Food Parcel"—measuring 3″ x 1¼″, is to be affixed in future by the sender on the address side of each gift parcel prepaid at the parcel post rate to the United Kingdom containing articles of food sent from Canada to private individuals in the United Kingdom.

Gift food parcels should conform strictly to the following conditions:—

(1) They must contain bona fide personal gifts;

(2) The contents must consist **wholly of foodstuffs.**

It should be brought to the attention of mailers whenever possible that the use of this label will accelerate customs treatment in the United Kingdom and expedite delivery and in order that a parcel may obtain the full benefit of the acceleration in treatment afforded by these arrangements the Customs declaration form 91B should bear a full and accurate description of the contents.

Form No. 61 will be made available eventually at all Post Offices but until it can be ascertained to what extent they are required an initial supply will be sent to all District Directors of Postal Services and Postmasters are requested to communicate immediately with their District Director to obtain a quantity sufficient for their immediate requirements. Afterwards requisition should be made for further forms as required to the usual source of supply.

This label is not to be employed under any circumstances on packets prepaid at the letter rate of postage.

MONEY ORDER INFORMATION

SPOILED MONEY ORDERS MUST BE ENCLOSED WITH MONEY ORDER RETURNS IN WHICH THEY ARE REPORTED

In the audit of Money Order Returns, it is noted that spoiled Money Orders, coupons and receipts are not enclosed with the returns in which they are reported but are later forwarded either under separate covers or with subsequent returns.

Rule 36 (a) Book of Financial Procedure directs that the number of a spoiled order must be entered in the Money Order Return in regular sequence, the word spoiled written opposite the entry and the order coupon and receipt enclosed with the Return and forwarded to the Department.

Postmasters will please see that this requirement is carefully observed.

ADVICE LISTS OF MONEY ORDERS FOR PAYMENT IN FOREIGN COUNTRIES DESPATCHED BY AIR MAIL

All descriptive Advice Lists prepared from the Money Order Advices, forwarded to the Exchange Office at Ottawa, are now despatched to the countries of destination via Air Mail, without extra cost to remitters.

This service will assure payment with the least possible delay. Consequently special collection from a remitter of air mail postage to cover transmission of a remittance from the Exchange Office, Ottawa to the country of destination will no longer be required.

UNITED STATES POSTAL NOTES ARE NOT PAYABLE IN CANADA

No arrangements have been made whereby United States Postal Notes may be cashed in Canada.

In the event of United States Postal Notes being presented at Post Offices in Canada the persons presenting them should be advised to return them to the purchasers who may obtain United States Post Office Money Orders payable in Canada.

ORDERS ISSUED IN THE UNITED STATES DRAWN FOR PAYMENT IN THE UNITED STATES ARE NOT TO BE PAID IN CANADA

In the audit of United States Orders paid in Canada, it is noted that postmasters are paying United States Money Orders drawn for payment in the United States contrary to Rule 80, Book of Financial Procedure. When such orders are presented, payment is to be refused and the payee is to be advised that the order should be returned to the sender with a request to have a new order issued payable in Canada.

However, if the payee is a well known resident of the locality and it is believed that the order was in error drawn on the United States, payment is to be deferred and a form M.O. No. 61 P.M. is to be forwarded to the office of issue. Upon receipt of the form M.O. No. 61 P.M. showing that payment was intended to be effected in Canada the order is to be paid, date-stamped and claimed in the current Money Order Return. The notation "Paid per form M.O. No. 61 P.M." is to be written on the face of the order and the form M.O. No. 61 placed on file with the relative coupon (See Rule 80 (a) Book of Financial Procedure).

LAPSED MONEY ORDERS AND POSTAL NOTES MUST NOT BE PAID WITHOUT SPECIAL AUTHORITY

The Audit of Money Orders and Postal Notes discloses that Money Orders and Postal Notes are being paid after they have become lapsed (viz.:—one year from the last day of the month of issue) without the special authority of the Department being obtained as required by Rule 53, Book of Financial Procedure for Accounting Post Offices.

The date of issue of Money Orders and Postal Notes must be carefully examined before payment and under no circumstances may a lapsed Money Order or Postal Note be paid before receipt of authority therefor and payment of the revalidation fee.

INFORMATION FOR POSTMASTERS

(1) **Promotion.**—George Herring, formerly Chief Superintendent of Air and Land Mail Services, Postal Service Branch, has been promoted to the position of Director of Communications, Post Office Department.

(2) **Praises Postal Service.**—High praise is given by Mr. T. Anderson, Chief Treasury Officer, Dependents' Allowance and Assigned Pay Branch, Ottawa for the type of postal service received at the Ottawa Post Office. In a letter to the Department Mr. Anderson states:

"I would like to take this opportunity of thanking your Department for the great co-operation we received from them in all matters regarding the forwarding of our cheques. The kindness and tolerance shown by your Department, especially the officials at the Ottawa District Post Office helped in no small way to lighten the burden which fell upon us at various times and I would like to say—thank you one and all."

(3) **Mistreatment of First Class Mail.**—Complaints are being received from business concerns of delays in the delivery of large business letters, the envelopes or covers of which are in appearance and size not unlike—and in fact at a casual glance greatly resemble—items of Third Class matter.

Apparently these oversize letters are being mistaken at the offices of mailing for Third Class mail as it is reported that not infrequently such letters arrive at Post Offices of address in bags containing Third Class matter.

This mistreatment results in serious delay and consequent complaints from the addressees and at times from the senders.

As the mishandling of this type of letters appears to be rather wide-spread throughout the Dominion all Postmasters and postal employees are requested to exercise the greatest possible care to ensure that in future all mail prepaid at First Class rates of postage is treated as letter mail and despatched in LETTER bags and NOT in tie sacks.

(4) **No Air Mail Service to Japan.**—Facilities are not yet available for the conveyance of air mail to Japan. No correspondence prepaid for air transmission is to be accepted; and any such matter found in the mail will be despatched to destination by surface means.

(5) **Partial Air Mail Services Withdrawn.**—Under present arrangements air correspondence addressed to the United Kingdom and intended for air transmission in Canada only, may be forwarded at the rate of 7c. for the first ounce and 5c. for each ounce after.

Similarly, air mail for Europe, prepaid 10c. per ounce or fraction thereof, is accorded air conveyance in Canada, surface despatch across the Atlantic to the United Kingdom whence it receives air lift to destination in Europe.

In view of the reductions in air mail rates effective November 1st, 1946, and the increased use of the Canada Air Letter which may also be sent to Europe if prepaid at the rate applicable, the partial air mail services referred to above have been withdrawn.

On and after April 1st, 1947, any correspondence for the United Kingdom and other countries, prepaid for partial air transmission, will not be considered as fully prepaid, but will be taxed double the postage deficiency at the air mail rate applicable, and forwarded by air.

Postmasters will please amend accordingly the Table of Air Mail Rates which appeared in December, 1946 Supplement to the Postal Guide.

(6) **Shortpaid Air Mail.**—Reference is made to the Table of Air Mail Rates appearing in December, 1946 Supplement to the Postal Guide.

A considerable amount of short paid air mail from Canada for the United Kingdom and Europe has recently been observed in the mails causing inconvenience to the postal service, and possible delay in transmission due to the fact that it must be rated up for deficient postage before it can be forwarded. It is also a source of annoyance to the addressee who is at times called upon to pay a high tax on delivery.

Postmasters are reminded that the postage rate for air mail to the United Kindgom and Europe is 15c. **per quarter ounce,** and every effort should be made to see that all such letters posted at their offices are fully prepaid at this rate.

(7) **Surface Mail for French Indo-China.**—It has come to the attention of the Department that surface mail for French Indo-China is frequently missent to Vancouver Foreign Section from various points in eastern Canada.

Postmasters are requested to exercise particular care to see that surface mail matter for French Indo-China is despatched to Montreal British and Foreign Section for disposal.

The same routing applies to air mail so addressed.

(8) **Mail Service to Germany.**—Letters and letter packages weighing up to one pound will now be accepted for transmission by air or surface means to any destination in Germany.

Business communications are restricted to those ascertaining facts and exchanging information. Letter packages may contain only written communications and documents such as birth, marriage, and death certificates, wills, legal notices, etc.; the enclosure of cheques, drafts, securities or currency is prohibited.

Registration service is not yet available.

The postage rates on letters and letter packages are:

Surface transport	5c. first ounce, 3c. each additional ounce or fraction thereof.
Air Mail	15c. per quarter ounce or fraction thereof.

(9) **Mail Service to Roumania.**—Information has been received from the Postal Administration of Roumania that a great deal of mail originating abroad is received in Roumania addressed in languages other than Roumanian, resulting in delay or even non-delivery of the articles, because the addresses are not understood by postal employees.

In the circumstances, mailers are advised to write at least the locality of destination in conformity with the official Roumanian designation. If this is not done, the Roumanian authorities disclaim any responsibility for delay, non-delivery or return to origin of the mail in question.

(10) **Insurance Service to French Equatorial Africa and French India Suspended.**—Parcel Post Insurance Service to French Equatorial Africa and French India is suspended.

Until further notice, parcels for these destinations should therefore not be accepted for insurance.

(11) **Special Delivery Service between Canada and the United Kingdom.**—Arrangements have been completed, effective April 1, 1947, whereby Special Delivery letters for the United Kingdom prepaid with Canadian postage may be accepted for onward transmission.

Such correspondence must bear a Canadian Special Delivery Stamp or be prepaid 10c. in Canadian postage in addition to the surface or air mail postage rate applicable.

The adhesive "Special Delivery" sticker (No. SD-8) obtainable at all post offices should be affixed in the upper lefthand corner of the address side. If stickers are not obtainable, the words "Special Delivery" should be legibly written in the same position.

Effective the same date, Special Delivery letters, bearing in addition to the surface or air mail postage, a 6d. United Kingdom Special Delivery postage stamp or United Kingdom postage of that value, are to be given Special Delivery treatment at offices in Canada where letter carrier delivery is in operation. These letters usually bear a dark red "EXPRESS" sticker.

Postmasters will please amend the reference to "Express" letters in Section 381, page 74, of the 1947 Postal Guide accordingly and see that the necessary action is taken to ensure the expeditious handling and correct disposal of such mail.

(12) **Customs Treatment of Gift Parcels in Albania.**—The following information has been received from the Postal Administration of Albania concerning the conditions governing the admittance of gift parcels from abroad:

(1) These parcels must be intended for the personal use of the members of the family. They may be sent without previously obtaining permission; they are free from customs duties; and it is forbidden to use them for commercial purposes.

(2) They may contain:
   1. non-perishable foodstuffs of all kinds;
   2. used and new clothing and shoes;
   3. other articles.

(3) The senders of these gifts are requested to indicate on the label the category of the articles by the words: "Paquet-cadeau", "Gift parcel" or "Paqet-dhuratë."

Whenever possible Canadian mailers are to be advised accordingly, and reminded that the value of gift parcels sent to Albania without an Export Permit is limited to $25.00.

(13) **Customs Treatment of Gift Parcels in Hungary.**—Information has been received from the Postal Administration of Hungary to the effect that gift parcels may be sent to individuals in that country without an Import Permit, and free of customs charges. These parcels may contain only articles for the personal use of the addressee, and of his family.

The contents are limited to:—

(1) Non-perishable foodstuffs of all kinds.

(2) New and used clothing and footwear, or material for making them.

(3) Substances for cleaning; toilet articles.

(4) Other articles, including medicines, but excluding poisons, narcotics, and luxury articles.

Gift parcels are to be marked "Gift Parcel" "Paquet-cadeau" or "Szeret-etcsomag".

Parcels should be adequately packed, and provided with substantial covers of cloth or strong paper to ensure delivery in good condition.

Whenever possible Canadian mailers should be advised accordingly, and reminded that the value of gift parcels sent to Hungary without an Export Permit is limited to $25.00.

(14) **Printed Matter Service to the British and American Zones of Germany.**—Effective immediately, newspapers, periodicals and books may be mailed to the British and American Zones of Germany, and to the British Sector of Berlin, in packages weighing up to 4 lb. 6 oz., prepaid at the printed matter rate of 1c. per 2 oz.

These articles may be in any language; but no message of any kind may be enclosed, or added.

It is to be noted that this service does not extend to the French or Russian Zones, nor to any Sector of Berlin except the British.

(15) **Insured Parcels to Other Countries.**—It has been reported that many insured parcels mailed in Canada addressed to those countries where the service is in operation are reaching the Canadian despatching exchange office concerned with out the red sticker No. 176 "Insured." As a result, some of these articles escape attention, and are treated as ordinary parcels. In case of loss, no record is then available.

The attention of all concerned is also specially directed to the requirements of the regulations outlined in Section 146, Sub-Sections (e) and (f), page 38, of the 1947 Postal Guide. This concerns the placing of the "Insured Parcel No." stamp, and the insured number on all such articles for destinations abroad.

Postmasters will please see that the red sticker and the number are placed on the address side of all insured parcels for delivery overseas. This will make certain that complete records are available, and facilitate investigation when necessary to the advantage of both the service and the mailers.

(16) **Parcel Post Service to Italy.**—The Italian Postal Administration has advised that owing to the fact that parcel post service from Italy to Canada has not yet been resumed, it is not possible to return undeliverable parcels received in Italy, to the senders abroad.

The parcels are, however, held by the Italian Post Office of destination; the sender is advised of the non-delivery of the article, and requested to furnish his instructions, particularly as regards a more exact address, the re-despatch of the article to another locality, or delivery to another person.

Canadian mailers of gift parcels to Italy should be informed accordingly, whenever possible, especially of the advisability of including an alternative address if one is available, on the covering Customs Declarations.

(17) **Parcel Post Insurance Service to Malay States, Straits Settlements and Sarawak.**—Commercial parcels from Canada for Malay States, Straits Settlements and Sarawak forwarded via England may now be accepted for insurance.

(18) **Parcel Post from Turkey.**—The Turkish Postal Administration has advised that effective 1st January, 1947, the postage on parcels originating in that country will no longer be paid in postage stamps. Prepayment of postage will be indicated by the words "Taxe perçue" (postage collected) either by means of the impression of a stamp or in handwriting on the Despatch Notes which accompany the parcels in question.

Such articles received from Turkey are accordingly to be delivered to the addressees as fully prepaid, in so far as postage is concerned.

(19) Parcel Post Rates to Other Countries.—Postmasters will find hereunder a revised Table of Parcel Post Rates from Canada to other Countries, which supersedes the information given in the 1947 Postal Guide. Any changes should be noted in their Postal Guide.

INFORMATION FOR POSTMASTERS

(1) **New Arrangement in the Postal Service.**—As and from 1st April, 1947, the position of District Director has been discontinued and in future the work will be divided.

Operating and secretarial features will be taken care of by a Postmaster; District Office functions relating to services and investigations will be carried on by the District Post Office Inspector. A memorandum has already been issued to the Service defining the duties of the respective positions.

There are two exceptions to the above arrangement, namely Moose Jaw and Charlottetown. The work of the Moose Jaw District will be under the jurisdiction of the District Post Office Inspector at Calgary, but for the time being the former District Director at Moose Jaw, Mr. J. F. Anderson, will act on behalf of the District Inspector at Calgary.

(2) **Five Regional Directors Selected.**—Announcement is made of the establishment of five Postal Regions each with a Regional Director as follows:

Maritime Region	—comprising the districts of Halifax, Saint John and Charlottetown	W. C. McEachern
Quebec Region	—comprising the districts of Montreal and Quebec	J. A. Pouliot
Ontario Region	—comprising the districts of Ottawa, Toronto, London and North Bay	A. M. Gibson
Prairies Region	—comprising the districts of Winnipeg, Moose Jaw, Saskatoon, Calgary and Edmonton	R. H. MacNabb
British Columbia Region	—comprising the district of Vancouver and the Yukon	G. H. Clarke

The new arrangement envisions the discontinuance of the present position of District Director of Postal Services and the establishment of a number of new positions of District Inspector.

Under the new system it is considered that a much closer administrative supervision will be provided over the Postal Service as a whole than was possible previously, and will result in much greater efficiency and economy of operation.

(3) **Acting Chief Inspector.**—Mr. N. H. MacDonald, Assistant Superintendent, Financial Branch, has taken over the duties of Chief Inspector in an acting capacity.

(4) **Changes at Montreal Post Office.**—It has been announced that J. R. Crochetière has been assigned the duties of Acting Postmaster and C. A. Marcoux has been assigned the duties of Acting District Inspector, at the Montreal Post Office as from April 1, 1947.

(5) **Changes at Quebec Post Office.**—It has been announced that J. B. L. Morin has been assigned the duties of Acting Postmaster and A. Beauchamp has been assigned the duties of Acting District Inspector, at the Quebec Post Office as from April 1, 1947.

(6) **Praises Bell Stamp.**—R. A. Bachus, Alamosa, Colo., U.S.A., in a letter to the Philatelic Division of the Department pays his tribute to the Bell Commemorative stamp. He states in part:

"I take this opportunity to congratulate you on the Alexander Graham Bell stamp which arrived today. It is beautiful, wonderful—the beautiful shade of blue, and the wonderful engraving. I have seen a lot of beautiful stamps but the Bell tops them all."

(7) **Praised by Owen Sound Board of Trade.**—Postmaster N. E. McDonald and staff of the Owen Sound, Ontario, Post Office, have been thanked by the Owen Sound Board of Trade for their efforts in restoring postal communication and in delivering the mails following the worst blizzard in 30 years, early in March. The letter reads in part:

Owen Sound, March 11th, 1947.

Mr. N. E. McDonald,
Postmaster.

"We the Board of Trade in particular and the citizens of Owen Sound in general are grateful to you in your co-operation through the Postal Service at Toronto to have the mail routed through Meaford and picked up and delivered so promptly on Saturday morning."

(Sgd.) F. S. MacLACHLAN,
Sec. Treas.

As a result of the blizzard there was no mail in or out of Owen Sound for four days over the C.N.R. and C.P.R. lines. The line, however, was opened from Toronto to Meaford. Arrangements were made with the District Director of Postal Services, Toronto, to forward the accumulated mail to Owen Sound, via Meaford from where special transport brought it to Owen Sound. The mail arrived on March 8th at 3 a.m. The Postal Clerk and Letter Carrier staffs reported at 6 a.m., and by Saturday afternoon delivery was made of all the first class mail and about 60 per cent of the other mails.

(8) **Special Service Appreciated.**—A little timely service which Postmaster Art Cooke, Haileybury, Ontario, has rendered his patrons in connection with their income tax forms has been very much appreciated by them. The Postmaster displayed the various income tax forms on the bulletin board in the lobby, together with the necessary information which assisted the public to select the correct form for their current needs. As a result time was saved for the office because his assistants had few questions to answer. Postmaster Cooke reports that this innovation has certainly paid dividends in goodwill.

(9) **Reeve Praises Postal Service.**—A letter of appreciation for the way the Post Office staff at Arthur, Ont., carried on efficient service despite blizzards and prolonged snow conditions during the past winter, has been received by the Acting District Inspector, London, from the Reeve and clerk of the municipality.

The letter states:

"Through the whole winter with the late mails your staff under W. S. Buschlin, have cheerfully done everything in their power to help, and we include the mail couriers.

And the local staff had a real job, night work, Sunday work or Wednesday afternoons, it was all the same to them."

(10) **Summer Mail Service to Yukon.**—Navigation in the Yukon is expected to open about May 29. Surface conveyance of mail in the Yukon will then be resumed and Summer Service Parcel Post rates to the Yukon will be in effect.

Postmasters will please give the above every publicity through the press and otherwise.

(11) **Correspondence addressed to Bank of Canada, Ottawa.**—Postmasters are reminded that the Bank of Canada, Ottawa, does not enjoy franking privileges, and any mail addressed to that organization should be prepaid with postage in the usual manner, with the exception of packages of mutilated bank notes addressed to the Currency Division of the Bank of Canada, Ottawa.

Packages of mutilated Bank of Canada notes, mailed by Chartered Banks throughout Canada, addressed to the Currency Division of the Bank of Canada, Ottawa, may be accepted without prepayment of postage and registration fee, provided the package is stamped "Postage Due at Ottawa" by the senders, who have been supplied with a special stamp for that purpose. The necessary postage and registration fee will be collected at Ottawa on such items and the office of mailing will be credited with the revenue from these shipments.

(12) **Similarity in Post Office Names.**—Care is to be exercised in the sortation of mail for Glentworth, Sask., and Gunworth, Sask., Hespero, Alberta and Hespeler, Ont., and Crescent, B.C. and Crescent Beach, N.S.

(13) **Yellow Label for Gift Food Parcels to Great Britain.**—There appears to exist some misunderstanding in regard to the use of the yellow label on gift food parcels to the United Kingdom.

Gift parcels addressed to individuals in Great Britain, containing food only, may have affixed a yellow label designed for the purpose of simplifying and expediting handling of such gifts by the British Authorities so as to secure earlier delivery.

As stated on these labels, if any article other than food is enclosed, the parcels may be confiscated by the Import Authorities in England.

It will, therefore, be understood that articles of clothing or other goods exclusive of food, should be mailed in separate parcels to addressees in Great Britain. If the mailers prefer, food and other articles may be enclosed in the same parcel, but in that case, the yellow label must not be affixed.

Whenever possible, mailers should be advised accordingly.

(14) **Mail Service to Germany.**—The following is an amended list of Postal Districts and Zones of Occupation in Germany required in addressing all mail to that country in accordance with the procedure outlined in notices in the Weekly Bulletins of 13th April, 1946 and 25th January, 1947. This replaces the information published in the Bulletin of 15th February, 1947.

The list of Countries on which Money Orders may be drawn in the Book of Financial Procedure for Accounting Post Offices and in the Canada Official Postal Guide for 1947 are to be amended by deletion of the word "suspended" and the substitution of the words "via New South Wales" after Gilbert and Ellice Islands.

The amount together with all remittances by the same applicant in the current calendar month must not exceed £25. sterling or its equivalent.

As all advice lists are despatched by "Air Mail" without extra cost to the sender, it is not necessary for Postmasters to forward postage stamps in payment of Air Mail fee.

Until further notice Money Orders will not be issued in Norway for payment in Canada.

DISCREPANCIES IN UNITED STATES MONEY ORDERS

Examination of United States Money Orders paid in Canada discloses that orders are being paid which show a discrepancy in the amount on the order and coupon, or marginal cut.

Postmasters are therefore requested to see that in future cases of this kind application for a correct advice is made as required by Rule 81, Book of Financial Procedure for Accounting Post Offices.

If the order is drawn on an office in the United States and it is believed that it should have been drawn on a Canadian office, a correct advice should also be applied for.

INCORRECT CONVERSIONS OF MONEY ORDERS ISSUED FOR PAYMENT IN GREAT BRITAIN AND NORTHERN IRELAND

In the examination of Money Orders issued in Canada and paid in Great Britain and Northern Ireland, it is found that in a large number of cases incorrect rates of conversion are being employed, namely $3.26 and $3.28 equals £1-0-0, instead of the correct rate of $4.04 equals £1-0-0, which is the rate to be used on Orders payable in Great Britain and Northern Ireland.

The rates of $3.26 and $3.28 equals £1-0-0 apply only to Orders payable in Australia and New Zealand, respectively.

The correct rate of conversion to be applied to Orders payable in any country is the rate shown in the last Foreign Exchange Rate Circular received from the District Director of Postal Services.

The Rate Circular presently used is Circular No. 1, dated 6th July, 1946.

Moose Jaw	F. W. Woodrow	District matters to be under jurisdiction of Acting District Inspector at Calgary.
Vancouver	C. C. Storey	F. H. Middlemiss (during his illness, his duties will be performed by Mr. Turner).

Correspondence should be addressed Postmaster or District Post Office Inspector as the case may be, unless the official is being addressed by name, when the word "Acting" should be added to the address, i.e., "Acting Postmaster," or "Acting District Post Office Inspector."

(2) **Appreciates Courtesy.**—Impressed with the "service with a smile" rendered at the branch Post Office, Gottingen Street, Halifax, a visitor from Waterbury, Conn., has sent a card of thanks. He states:

"Highest of eulogies for the most efficient, courteous, obliging, smiling and helpful postal staff ever met in my travels."

(3) **Excellent Record for the Postal Service.**—Postmaster Walter Krug at Chesley, Ont., reports that the Women's Institute of that town mailed, during the war, an average of ninety parcels a month to the boys in Great Britain, on the continent, in Italy and Africa. Acknowledgments were received for all but three parcels. This is just another example of the excellent work done by the postal service under war conditions.

(4) **Lauds Service Given by Post Office.**—The District Director of Calgary reports that in a recent press item in the Red Deer *Advocate*, Mrs. A. Hendrickson, Willowdale, Alberta, is quoted as expressing her gratitude to Postmaster T. H. Edis for the excellent way in which the Canadian and British Postal Services handled the fifty-two parcels she sent to England during the past five years. Not one parcel failed delivery.

(5) **Mail Couriers Honoured.**—Nothing is more appreciated by the public than faithful service as was shown recently at Stoney Creek, Ont., when 115 patrons and their families from R.R. 1, gathered at the Stoney Creek United Church S.S. to honour the Freel family who recently resigned after conducting the mail route for 32 years. Charles Freel received a silver tray and Clifford Freel a silver chop dish, both suitably inscribed, from the gathering. The late Emerson Freel started the route as mail courier in December, 1914. A social program followed the presentations. The Messrs. Freel who were taken entirely by surprise expressed their gratitude to their hosts.

(6) **Neither Snow, Nor Floods Stay These Couriers.**—If it isn't wintry blizzards, it's spring floods that our mail couriers have to contend with in carrying out their duties. All will sympathize with R. J. McGovern, mail carrier on Route No. 1, Oxford Station, Ont., who recently lost a valuable horse when a log bridge gave way, plunging both horse and driver into the icy water of a creek. This is the second horse Mr. McGovern has lost, one having died earlier this year while on the mail route.

The devotion to duty shown by these mail couriers, in spite of the hazardous conditions that confront them, is highly commendable.

(7) **Praise for the Courier with the Lamp.**—True to the traditions of the rural mail courier that "neither snow, nor rain, nor night," etc., one courier, Gustave Bouchard, covers his nine mile rural route at La Malbaie, P.Q. after dark the greater part of the year.

Postmaster C. Dufour at La Malbaie, P.Q. reports that the mail is received at his office at 6.20 p.m. each evening and it is never before 7 p.m. that Courier Bouchard leaves on his appointed round to cover the 94 rural mail boxes on his route. It is dark soon after he starts and a pocket lamp has become standard equipment with him. In spite of all conditions of weather, together with the added hazards of the night, Courier Bouchard has always given very satisfactory service in getting "the mails through."

(8) **Veteran Postmaster Dead.**—Winnipeg Postal District has lost its oldest Postmaster in the person of Maurice Edmund Boughton who died last month. Born in 1853, he was appointed Postmaster at Arden, Man., on December 1, 1884, a position he held for over 62 years. He was noted for his integrity and the efficient way he carried out his duties. He will be greatly missed.

(9) **Air Stage Service—Magdalen Islands.**—The winter air stage service Charlottetown-Magdalen Islands has been discontinued and the summer air stage service is now in effect.

The rates of postage applicable to mail addressed to or posted in the Magdalen Islands for transmission by air are as follows:

First Class Matter	4 cents first ounce, 2 cents each ounce after.
Second Class Matter	When mailed by the public, 1 cent per 4 ounces or fraction of 4 ounces to each separate address. When mailed from office of publication or from news-dealers to subscribers, 4 cents per pound.
Third Class Matter	Ordinary letter rate or the air parcel rate (see below) at the option of the sender.
Parcel Post	15 cents per pound or fraction of a pound, up to and including 10 pounds. $1.80 per parcel over 10 pounds up to and including 15 pounds. $2.40 per parcel over 15 pounds up to and including 20 pounds. $3.00 per parcel over 20 pounds up to and including 25 pounds.

Second, third and fourth class matter is carried **by steamer service** at ordinary postage rates.

(10) **Air Stage Service, Mont Joli, P.Q.-North Shore of the St. Lawrence Discontinued.**—The Air Stage Service, Mont Joli-North Shore of the St. Lawrence (C.A.M. 42 in Air Mail Schedules) has been discontinued.

The Air Parcel Post Service, Mont Joli-Baie Comeau, P.Q., has also been discontinued.

A daily except Sunday Air Stage Service (C.A.M. 42A Summer Service) is now in operation over which first class mail only is carried.

Other classes of mail to and from the North Shore of the St. Lawrence are conveyed by surface transport at ordinary postage rates.

(11) **Prince Albert-Lac la Ronge, Sask., Air Stage Service (C.A.M. 54) Discontinued.**—The Prince Albert-Lac la Ronge, Sask., Air Stage Service (C.A.M. 54) has been discontinued and replaced by a weekly land service on which ordinary postage rates will apply.

Postmasters will please amend their loose leaf air schedules accordingly.

(12) **Transmission of Honey Bees by Parcel Post.**—Postmasters are informed that honey bees must not be accepted for transmission in the mails if baggage car service or catch-post service is necessary. Shippers should consult the District Post Office Inspector for information as to places to which honey bees may be sent. (See Section 139 of the Postal Guide).

(13) **Correction in 1947 Issue of The Canada Official Postal Guide.**—Page 214—Office Number 9217 Burr, Sask. should read 6217.

(14) **Post Office Robberies.**—There is a tendency during the summer season for Postmasters to exercise less vigilance in the protection of their premises with the result that robberies and thefts are sometimes committed which might be avoided with a little extra care.

Postmasters will, therefore, please carefully observe the following instructions:

1. Doors and windows of Post Office premises should be carefully locked and bolted at night.
2. Post Office values must be given maximum protection at all times, but particularly after the office is closed for the day. If there is a safe on the premises these valuables should be placed therein.
3. Attention is particularly directed to the fact that if investigation following a robbery discloses that sufficient protection was not accorded Post Office values, either through carelessness or indifference, the Postmaster will be required to make good any loss involved.
4. In all cases where a robbery has been committed the Postmaster should immediately report it by wire or telephone to the District Office and notify the police.

(15) **Insured Parcels for Places Outside of Canada Must Bear "Insured Parcel No." Stamp and Insured Number.**—Insured parcels addressed to Great Britain, British and Foreign countries are reaching despatching Canadian Exchange Offices without either an impression of the "Insured Parcel No." stamp or an Insured Number, with the result that such parcels are being despatched from Canada as uninsured parcels.

Special attention is invited to sub-sections (*e*) and (*f*) of section 146 of the 1947 Canada Official Postal Guide, and Postmasters are requested to see that in future an impression of the "Insured Parcel No." stamp and an Insured Number are placed on all parcels which are accepted for insurance to countries outside of Canada.

(16) **Submission to Customs of Parcels Originating Outside Canada.**—Before effecting delivery of any parcel or package originally posted in any country outside Canada, Postmasters and postal employees must make sure that it has been stamped by the Customs either "DUTY FREE" or "DUTY PAID."

If any such parcel or package has not been stamped "DUTY FREE" or "DUTY PAID" by the Customs, IT MUST POSITIVELY BE SUBMITTED TO THE CUSTOMS FOR INSPECTION before delivery is made.

It has been brought to the attention of this Department that the addressees have presented to the Customs parcels and packages originating outside Canada which have been delivered to them by the Post Office without first having been submitted to the Customs for inspection, and on which duty was chargeable.

All mail which is suspected of containing dutiable matter MUST first be submitted to the Customs for inspection before delivery is effected to the addressees.

(17) **Customs Treatment of Gift Parcels in Czechoslovakia.**—The Postal Administration of Czechoslovakia has advised that until the end of 1947, gift parcels addressed to citizens of Czechoslovakia will be admitted free of Customs duty under the following conditions:

1. The parcels are not to exceed 13 pounds in weight.

2. The parcels may contain only articles for daily use, such as non-perishable foodstuffs, clothing, writing materials, soap, toilet articles, and limited amounts of tobacco. No parcel may contain more than 2 pounds of coffee, 8 ounces of tea, 3½ ounces of spices, and not more than 600 cigarettes or 21 ounces of tobacco or 120 cigars. Larger quantities of these commodities will be subject to Customs duty in Czecholsovakia. Luxury articles (jewelry, etc.) are not exempted from Customs duty.

3. The contents of the parcels must be intended exclusively for the personal use of the addressee or members of his family. It is prohibited to sell these articles.

The above instructions do not prohibit the acceptance of parcels weighing up to the maximum weight limit of 20 pounds, or the inclusion of articles in excess of the limitations referred to in paragraph 2 above. Provided such parcels do not exceed $25 in value they will be accepted for mailing on the understanding that the contents will be subject to Czechoslovak customs regulations.

As far as possible mailers are to be advised accordingly.

(18) **Insurance of Parcel Post to Overseas Destinations.**—It appears that some misunderstanding exists regarding the insurance of parcels to overseas destinations.

Postmasters and all those concerned are therefore reminded that gift parcels cannot be accepted for insurance to countries overseas to which the parcel post service has been restored.

Gift food parcels are also not to be accepted for insurance when addressed to the United Kingdom, but gift parcels so addressed containing other articles may be insured in the usual way.

Information concerning the countries to which commercial parcels, as well as gift parcels other than those referred to above, may be insured, will be found in the table of parcel post rates published in the April 1947 Supplement to the Postal Guide.

MONEY ORDER INFORMATION

MONEY ORDER SERVICE WITH THE CHANNEL ISLANDS RESUMED

Money Orders may now be issued for payment in the Channel Islands.

Orders are to be prepared in the same manner as orders issued for payment in Great Britain and Northern Ireland. The name of the payee and remitter must be shown on the order as well as the amount in sterling. The rate of conversion in effect at present is $4.04 equals £1.

The order with the coupon attached is to be handed to the remitter. No advice or application form M.O. No. 1 P.M. is required.

Remittances by the same applicant in the current calendar month must not exceed £25. or its equivalent.

RESUMPTION OF MONEY ORDER SERVICE WITH ICELAND

Money Order Service with Iceland will be resumed, effective 15th May, 1947.

In accordance with the regulations of the Foreign Exchange Control Board of Canada, remittances from Canada to Iceland may only be made for the following purposes:—

(1) Payment for small imports of goods.

(2) Payment for personal expenses such as: insurance premiums, subscriptions for periodicals, subscriptions to clubs, societies, foreign missions and the like.

(3) Charitable donations such as personal gifts (birthday, wedding or Christmas gifts, or other gifts of similar nature), remittances for the support of a resident of Iceland who is dependent upon the sender for support; and remittances for religious and missionary purposes.

The amount which may be sent by any one remitter in any month must not exceed the equivalent of £25.

The Money Order receipt (or receipts) only is to be given to the sender and the Order with Coupon attached and relative Advice (form M.O. No. 27 P.M.), and the remitter's Application (Form M.O. No. 1 P.M.) are to be sent to the International Money Order Exchange Office, Ottawa, in an envelope M.O. No. 9 P.M.

The rate of conversion is to be quoted to the remitter and entered in the space provided for the purpose on the Advice (form M.O. No. 27 P.M.) and on the remitter's Application (form M.O. No. 1 P.M.).

Immediately after the name of the country Hong Kong, in the Money Order Rate Circular No. 1 of the 8th July, 1946 the following is to be inserted:—

Iceland.....One krone..... .16.00

In the Canada Official Postal Guide, 1947 and the Book of Financial Procedure for Accounting Post Offices, the following change is to be made in the "List of countries upon which Money Orders may be drawn":—

Delete the letter "C" preceding "Iceland" and substitute the letter "E". Also delete the words "via England" immediately following and substitute the word "direct".

MONEY ORDER SERVICE WITH THE NETHERLANDS

The maximum amount for which a Money Order may be issued for payment in the Netherlands is $9.50 in Canadian currency amounting to 25 florins when converted at the present rate of 1 florin equals .38 cents.

MONEY ORDERS PAID AT NON-ACCOUNTING OFFICES

Rule 45 of the book "Postal Note Rules and Regulations for Postmasters at non-accounting offices 1946 edition" is to be amended to read as follows:—

> "The paid Money Order must be date-stamped with the date of payment and must be remitted with the coupon left thereon with the first requisition for new supplies or forwarded to the District Office if so directed."

MONEY ORDER SERVICE WITH BRUNEI RESUMED

Money Orders may now be issued for payment in Brunei through the intermediary of the Postal Administration of Malaya.

The list of countries on which Money Orders may be drawn in the Book of Financial Procedure for Accounting Post Offices and in the Canada Official Postal Guide for 1947 is to be amended by deletion of the word "Suspended" and the substitution of the words "Via Malaya" after Brunei.

The amount together with all remittances by the same applicant in the current calendar month must not exceed £25-0-0 sterling or its equivalent.

As all advice lists are despatched by "Air Mail" without extra cost to the sender, it is not necessary for Postmasters to forward postage stamps in payment of Air Mail fee.

ORDERS ISSUED IN THE UNITED STATES DRAWN FOR PAYMENT IN THE UNITED STATES ARE NOT TO BE PAID IN CANADA

In the audit of United States Orders paid in Canada, it is noted that postmasters are paying United States Money Orders drawn for payment in the United States contrary to Rule 80, Book of Financial Procedure. When such orders are presented, payment is to be refused and the payee is to be advised that the order should be returned to the sender with a request to have a new order issued payable in Canada.

However, if the payee is a well known resident of the locality and it is believed that the order was in error drawn on the United States, payment is to be deferred and a form M.O. No. 61 P.M. is to be forwarded to the office of issue. Upon receipt of the form M.O. No. 61 P.M. showing that payment was intended to be effected in Canada the order is to be paid, date-stamped and claimed in the current Money Order Return. The notation "Paid per form M.O. No. 61 P.M." is to be written on the face of the order and the form M.O. No. 61 placed on file with the relative coupon (See Rule 80 (a) Book of Financial Procedure).

LAPSED MONEY ORDERS AND POSTAL NOTES MUST NOT BE PAID WITHOUT SPECIAL AUTHORITY

The Audit of Money Orders and Postal Notes disclosed that Money Orders and Postal Notes are being paid after they have become lapsed (viz:—one year from the last day of the month of issue) without the special authority of the Department being obtained as required by Rule 53, Book of Financial Procedure for Accounting Post Offices.

The date of issue of Money Orders and Postal Notes must be carefully examined before payment and under no circumstances may a lapsed Money Order or Postal Note be paid before receipt of authority therefor and payment of the revalidation fee.

INFORMATION FOR POSTMASTERS

(1) **L. W. Carter Feted on Retirement.**—Members of the Saint John District Post Office Inspector's staff gathered at the Admiral Beatty Hotel recently to honour L. W. Carter, Superintendent of the Services Division, on his retirement after 41 years in the postal service.

On behalf of the staff, E. R. Ingraham, Acting District Post Office Inspector, presented to Mr. Carter a set of pipes suitably engraved and a special gift from the stenographic staff. Mr. Ingraham spoke of Mr. Carter's long and faithful service and extended to him the best wishes of the postal staff on his retirement.

(2) **Community's Tribute to Retiring Postmaster.**—Recently the entire community of Cobble Hill, B.C. literally showered gifts upon its popular Postmaster A. J. Porter and his wife, on the eve of his retirement after 43 years, service. On behalf of all the patrons a delegation presented an illuminated address, testifying to the esteem in which they are regarded, together with purses of money, to the couple.

Postmaster Porter also received a smoking cabinet and an ash tray, and Mrs. Porter a coffee table, a pressure cooker, and bouquets of pinks and tulips. Again it is seen that faithful service does not pass unnoticed by the public.

(3) **Envelopes Containing Prairie Farm Assistance Act Cheques Not to be Redirected.**—The Treasury Office of the Department of Finance have printed the following request on envelopes containing cheques issued under the provisions of the Prairie Farm Assistance Act:—

POSTMASTER—DO NOT RE-ADDRESS
IF NOT DELIVERED IN 15 DAYS RETURN TO
OFFICE OF THE
COMPTROLLER OF THE TREASURY
PRAIRIE REGION
REGINA, SASK.

Postmasters in the Prairie Provinces are instructed to comply with this request and return such undeliverable envelopes direct to the senders, instead of redirecting them to a new address.

(4) **Return of Postage Stamps, etc.**—Henceforth postage stamps which have become damaged or unsaleable while in the possession of a Postmaster at an Accounting Office are not to be returned with the cash account but are to be returned under registered cover to the Financial Branch, for Postage Stamp Division.

These instructions will supersede the notice which appeared in Post Office Weekly Bulletin of 29th February, 1936, in which Postmasters were instructed to return damaged stamps with the cash account.

Section (*b*) of Paragraph No. 153 of the Book of Financial Procedure for Accounting Post Offices should, therefore, be changed to read as follows:

DELETE "may be enclosed with his current cash account" in the second line.

INSERT "should be sent to the Financial Branch (For Postage Stamp Division) under registered cover".

The same procedure shall apply to Unemployment Insurance Stamps which have become damaged or unsaleable while in the hands of Accounting Postmasters and Paragraph 162 of the Book of Financial Procedure for Accounting Post Offices should be changed to read as follows:

"162—Unemployment Insurance Stamps or sections of stamps that have become damaged or unsaleable must be affixed to sheets of paper and returned under registered cover to the Financial Superintendent (For Postage Stamp Division) and the face value to the nearest cent claimed at Item 22E in the cash account".

War Savings Stamps redeemed should be forwarded under registered cover addressed to the Financial Superintendent (For Postage Stamp Division) and the value claimed at Item 22F in the cash account.

(5) **Sender's Name and Address on C.O.D. Tag.**—When accepting C.O.D. articles, Postmasters and postal employees should see that the name and address of the sender are written legibly on section 4 of the C.O.D. tag.

Care must also be taken not to interfere with the name and address of the sender when date stamping section 4.

It has come to the attention of the Department that in many instances the date stamping has been so carelessly done as to almost obliterate the sender's name and address, thereby causing loss of time and unnecessary effort in endeavouring to decipher the sender's name and address at the post office of delivery when making out money orders.

(6) **Insufficiently prepaid Correspondence for Overseas destinations.**—In future short payments on all unpaid or insufficiently prepaid correspondence for overseas destinations should be expressed in gold centimes.

Postmasters are, therefore, requested to amend the information appearing in Section 313, page 66, of the 1947 Canada Postal Guide in this regard by altering the reference to the equivalent of 1 cent to read "3 centimes", instead of "5 centimes".

(7) **Corn Syrup in Overseas Parcels.**—Advice has been received that, since the removal of corn syrup from the list of rationed foods, cans containing this article have been mailed in increasing quantities for transmission overseas. In many cases, the tins with their push-on type lids are mailed as purchased, with the result that the covers become detached in course of post and the escaping syrup has damaged mail and interfered with the operation of post office equipment, with consequent delay in the handling of mail.

Every precaution must, therefore, be taken to see that, as far as possible, parcels containing cans of corn syrup or other liquids are not accepted for mailing, unless these articles are properly packed to ensure safe transmission, in accordance with postal regulations.

The covers of the metal containers of such substances must be sealed with solder and the can enclosed in an outer package with enough absorbent material to prevent damage in case the tins are broken open in transit.

Postmasters are to give this matter the widest possible publicity.

(8) **Correspondence with Displaced Persons in the British Zone of Germany.**—This will refer to the Notice in the Weekly Bulletin of the 3rd November, 1945 in regard to the above.

Advice has now been received from the British Postal Authorities that effective at once, letters addressed to or despatched by Displaced Persons in the British Zone of Germany will be forwarded through normal International Postal channels, and not through the special facilities previously utilized.

It should be specially noted that the limited postal services now in operation to ordinary civilians in the British Zone of Germany will also be available to Displaced Persons in that Zone.

Correspondence from Displaced Persons in the British Zone will continue to bear the special postmark "Displaced Persons Mail-Free", and will be despatched from Germany with normal International mail.

Correspondence sent to Displaced Persons in the British Zone should no longer be directed to "800 Control Unit, B.A.O.R." via Great Britain, but it is to be prepaid as usual at the postage rate of 5c. for the first ounce and 3c. for each subsequent ounce and addressed as follows:—

Name of Displaced Person,
Number of Camp,
Number of Displaced Person Assembly Centre,
Postal District Number,
Place—name of Assembly Centre,
British Zone of Occupation,
GERMANY.

(9) **French Indo-China—Registration Service.**—Registration service to French Indo-China, which was resumed in accordance with the notice in the Weekly Bulletin of 31 August, 1946, is now in operation to all offices in Cochin-China, Cambodia and Laos, as well as to the following offices in Tonkin and Annam:

1. Tonkin: Hanoi-Haiphong.
2. Annam: Bang-Hoi, Banmethuot, Dalat, Djiring, Nhatrang, Ninhhoa, Phanrang, Phantiet, Tourcham, Hue, Tourane.

Those concerned should take due note of the above when accepting registered correspondence for French Indo-China.

(10) **Mail Service to Germany and Austria—Literature for the Blind.**—Mail Service to Germany has now been extended to include printed matter in raised characters (Braille) for the special use of the blind, in packages weighing not more than 11 lb., prepaid at the rate of 1c. per 4 lb. or fraction of 4 lb.

Letters written in Braille not exceeding the present limit of 1 lb., will also be accepted for transmission to Germany if prepaid at the rate of 5c. for the first ounce, and 3c. for each additional ounce, when intended for surface transmission, or 15c. per quarter ounce, if air conveyance is desired.

Such printed matter and letters for the blind will also be accepted for conveyance to Austria under the same conditions which apply to Germany except that the weight limit of prints is 15 lb., and letters, 4 lb. 6 ounces to Austria.

(11) **Parcel Post to France—Resumption of Direct Service.**—The direct parcel post service from Canada to France has been resumed and parcels up to a weight limit of 20 pounds may now be accepted for despatch by direct steamship, as well as via the United Kingdom, subject to the conditions at present in effect for parcels to France.

Parcels for despatch via United Kingdom should be prepaid at the rates applicable, legibly endorsed "Via United Kingdom", and forwarded to Montreal to be included in the parcel mails made up at that office for onward despatch.

Parcels prepaid for the diract route, and specially addressed correspondence, should be legibly endorsed "Via direct service", and also be forwarded to Montreal for disposal.

Gift parcels containing necessities only, for the use of the addressee and his family, are not subject to import restrictions in Greece; they must be plainly marked "Gift Parcels".

It should be observed that the regulations governing the mailing of gift parcels, including the limitation of not more than two per week from any sender to different addressees, are still in effect.

INFORMATION FOR POSTMASTERS

(1) **Information for Postmasters—Hugh Platt receives I.S.M.**—In the presence of former fellow employees, including senior officials of the Department, Hugh Platt, Ottawa, who retired from the Railway Mail Service (Postal Service Branch) in 1946 was invested with the Imperial Service Medal on July 4 by Hon. Ernest Bertrand, K.C., M.P., Postmaster General. The ceremony was held in the Postmaster General's private office, Langevin Block. Hon. Mr. Bertrand referred glowingly to Mr. Platt's record of faithful service, including his military record in both Great wars.

He stated, "His devotion to duty was not only appreciated by the Departmental officers . . . but has earned recognition in a higher quarter by the award of His Majesty's Imperial Service Medal . . . I am sure those who know Mr. Platt will agree with the statement that it has been justly earned."

(2) **Never Missed Day in 33 Years.**—After 33 years service as rural mail courier on R.R. No. 6, Granby, P.Q., Joseph Tetreault made his last run on June 30. Although he had reached the age of 80 years he was always punctual and is said never to have missed a day in his entire service. To mark his retirement the Granby Post Office staff presented a well filled purse to him as a token of appreciation.

(3) **Presentation to Former Postmistress.**—The Wingard, Sask., community fittingly presented an easy chair to their former Postmistress, Mrs. Jessie Peterson, who recently retired. A gathering was held in her honour. The Peterson family have had charge of the Post Office since its institution in 1887. Mrs. Peterson's father-in-law, the first Postmaster, was succeeded by his son in 1902 with Mrs. Peterson as assistant, and later Postmistress.

(4) **Postal Service Commended for Honesty and Efficiency.**—J. W. Stewart, Acting District Post Office Inspector at London, Ontario, writes that recently the Postmaster at Guelph, Ontario, informed his office that he had found a 21-jewel gold watch in a mail bag, and had forwarded it to the Dead Letter Office at Toronto. Two days later A. E. Pierson, Railway Mail Clerk, operating in Hamilton and Owen Sound R.P.O. reported that he had lost a gold watch. The item was obtained from the Dead Letter Office and identified by its owner.

Mr. Pierson in acknowledging receipt of his watch made the following statement; "I am pleased to advise that the watch I received this morning by registered mail was mine beyond doubt and I wish to thank all concerned for the trouble in recovering same. This is a gratifying example of the honesty and efficiency of the Postal Service."

(5) **Postmaster Congratulated.**—The high courage and sense of responsibility of Postmaster Victor Nylund, Quorn, Ontario, has been praised in a letter forwarded to him by the Acting Deputy Postmaster General.

Recently when fire swept the post office, situated on Mr. Nylund's premises, his first effort was to save the mail and postal values.

(6) **Patrons Appreciate Letter Carrier.**—In appreciation of the long and faithful service rendered them, extending over 37 years, patrons along the route of George Docherty, Edmonton, recently honoured him previous to his retirement. He received a leather-bound book containing some 300 signatures and a substantial sum of money.

(7) **Improved Mail Service to James Bay Area—C.A.M. 49.**—Arrangements have been completed to extend to Richmond Gulf and Port Harrison, P.Q., the present air stage service which now operates from Moosonee, Ont., to Great Whale River.

In addition, the frequency of the air stage service from Moosonee to all points served by C.A.M. 49 and to Richmond Gulf and Port Harrison will be four trips per annum. The flights will be performed approximately the last week in June, August, December and March.

Mails for Port Harrison should continue to be addressed,—

"c/o Eastern Arctic Patrol,
R.M.S.,
Ottawa."

Mails for other points—viz., Rupert House, Carleton Depot, East Main, Factory River, Fort George, Roggan River, Great Whale River, Richmond Gulf in the Province of Quebec, and Port Albany, Attawapiskat, Opinega, Weenusk in the Province of Ontario, should be centralized on Moosonee, Ontario.

Preference in loading will be given to first class mails.

(9) **Special Delivery Facing Slips (form S.D.4).**—It has come to the attention of the Department that since the introduction of Special Delivery sticker SD-8, a number of Post Offices have discontinued using Special Delivery Facing Slip S.D.4.

Sticker SD-8 is intended to be affixed by the senders to letters and parcels prepaid for special delivery so as to prevent oversight during the process of sortation.

The object of Special Delivery Facing Slip S.D.4 is to enable the Post Office of delivery to "spot" packages containing special delivery letters immediately the bag is dumped.

Special Delivery letters are to be placed on the top and form S.D.4 wrapped around the entire package.

(10) **Non-adhesive Customs Declaration form 15B and Despatch Note form 16B to be securely attached to parcels.**—Reports have again been received that forms 15B and 16B are not being firmly attached to parcels addressed to other countries for which they are required, and that these documents are being found loose in the mail.

In the circumstances, mailers should be specially cautioned to exercise particular care in connection with these forms, which are to be folded and placed under the cord at one end of the parcel in such a way that half of the form is on top of the parcel, the other half on the end. The cord should be very tightly fastened so that the papers will remain in place.

(11) **Air Mail Service to China.**—Effective immediately the normal weight limit of 4 pounds 6 ounces will apply to air mail for China.

All such correspondence appropriately prepaid at the air mail rate of 25 cents per quarter ounce or fraction thereof should be forwarded to "Vancouver Foreign" for onward despatch.

INFORMATION FOR POSTMASTERS

(1) **An Employee's Honesty.**—If at times the Post Office Department has to publicize an act of dishonesty on the part of a postal employee it is gratifying indeed to the Administration—which is convinced that the vast majority of Postal personnel are honest—to bring the following fact to light concerning the integrity of a Rural Mail Courier.

Mr S. C. McEvenue, President of the Canada Life Assurance Company, while motoring from Toronto to Ottawa with his family on 18th July discovered he had lost his wallet en route which contained over $200.00 cash and valuable papers.

Early the following morning he was informed by the Provincial Police that the wallet had been found by Arden Blackburn, Courier, R.R. 4, Perth, Ont. With no thought of holding the wallet to ascertain the possibilities of a reward. Mr. Blackburn was interested only in seeing that it reached its rightful owner as soon as possible, and on finding it had at once turned it over to the police. His honesty was rewarded by Mr. McEvenue with a cheque of $20.00. Mr. McEvenue subsequently drew the incident to the attention of the Postmaster General.

(2) **Appreciates Service.**—A California visitor to Canada has expressed his appreciation of the service he has been receiving from Postmaster L. W. Prunner and his staff at Aultsville, Ont. In a letter to the Acting District Post Office Inspector, Ottawa, he praises "the well managed Post Office" and "the splendid type of service rendered".

(3) **Grateful for Extra Service Rendered by Postmaster.**—G. E. Macklem, Acting District Post Office Inspector at Ottawa reports that recently, due to an error in an announcement on a radio program, a considerable amount of mail was mis-addressed to the Post Office at Toledo, Ont. The firm handling the advertising for the program got in touch with the Toledo Post Office requesting that the missent mail be re-addressed to Toronto.

A letter was received from the firm expressing thanks and appreciation for the extra service rendered by the Postmaster.

(4) **Yukon Parcel Post—Winter Service.**—During the season of closed navigation on the Yukon River which extends approximately from 1st October to 31st May, parcel post to and from post offices in the Yukon will be suspended, except as follows:—

Carcross, White Horse and Champagne.—Rates and services the same as during Summer.

Watson Lake.—By Air Stage Service at the rate of thirty cents for the first pound and twenty-five cents for each additional pound.

Carmacks, Fort Selkirk, Mayo Landing and Dawson.—By Air Stage service at the rate of 30 cents for the first pound or fraction thereof and 25 cents for each additional pound. This rate is applicable from Carcross, White Horse and Champagne in the Yukon and from Canadian points outside the Yukon to the five offices named, including Watson Lake, and vice versa; and also between any two of these five offices.

Parcels prepaid at ordinary (Summer) parcel post rates for offices in the Yukon other than the eight offices named above may be addressed to White Horse, and the addressees may make their own arrangements with the transportation companies operating in the Yukon for conveyance from White Horse to destination.

Care must be taken to ensure that during the season of closed navigation parcel post matter for the Yukon is accepted only at the rates and within the limits outlined above.

Postmasters will please give this every publicity.

(5) **New Air Mail Service—Vancouver-Prince Rupert, B.C. C.A.M. 10.**—Effective August 1st, a new air mail service designated C.A.M. 10 was inaugurated between:

Vancouver (B.C.) & Prince Rupert (B.C.) via Port Hardy and Sandspit each way.

One round trip daily except Sunday will be performed on the following schedule:

Flight No. 5 Dy. ex. Sun.	P.S.T.	Flight No. 6 Dy. ex. Sun.
9.30 Lv.	Vancouver	Ar. 17.20
11.00 Ar.	Port Hardy	Lv. 15.50
11.20 Lv.	Port Hardy	Ar. 15.30
13.10 Ar.	Sandspit	Lv. 13.40
13.50 Lv.	Sandspit	Ar. 13 00
15.00 Ar.	Prince Rupert	Lv. 11.50

The rate of postage applicable to mail conveyed over the above air mail service will be 7c. for the first ounce and 5c. for each additional ounce or fraction thereof.

(6) **Discontinuance of Business Reply Envelopes for Family Allowance Applications.**—Postmasters are reminded that the use of the business reply envelopes previously issued to the public for the purpose of returning applications for Family Allowances to the Regional Directors of Family Allowances, has been discontinued.

Any of these envelopes now on hand in post offices are to be returned immediately to the nearest Regional Director of Family Allowances, Department of National Health and Welfare. These Regional Directors are located at Charlottetown, Halifax, Fredericton, Quebec, Toronto, Winnipeg, Regina, Edmonton and Victoria.

(7) **United States Currency.**—The attention of the Postmaster is drawn to Foreign Exchange Control Board regulations issued on the 1st February 1947, by a pamphlet entitled "Instructions to Postmasters".

The Foreign Exchange Control Board now state that information has been received that some Postmasters are making no distinction between the handling of Canadian and United States currency received over the counter and that they are paying out United States currency in change quite frequently.

Under the Foreign Exchange Control Board regulations the Postmaster may

(a) accept United States currency from a resident of Canada who tenders it either in payment of postage stamps or money orders payable in Canada, (such money orders must not be issued for payment outside Canada), or for exchange into Canadian currency.

(b) make change in United States currency only for a **non-resident tourist** who has tendered United States currency in payment for purchases. The Postmaster may tender Canadian money in exchange for United States money if the non-resident so desires, or in the event of his having no United States currency on hand.

All United States currency received by a Post Office should be sent to the bank.

The Postmaster should **not**

(a) pay out United States currency either to a resident or a non-resident in exchange for Canadian currency; or

(b) pay out United States currency in change to a Canadian resident even though the latter has tendered United States currency in payment for a purchase.

(8) **Collection of Deficient Postage—Postage Due Stamps.**—Before an unpaid or insufficiently prepaid article is delivered, the amount due thereon must be collected from the person to whom delivery is made, and postage due stamps to the same amount must then be attached to the article and cancelled.

Unpaid or insufficiently prepaid letters or other articles must not be placed in lock or call boxes rented to the public, but a card should be placed in the box notifying the addressee that such an article has been received and will be delivered at the wicket on payment of the amount due. This card (No. 33) may be obtained on requisition.

An adequate supply of postage due stamps can be had upon requisition in the usual way and must always be kept on hand. See Section 233, page 58 of the Canada Official Postal Guide.

(9) **Model Dater Year Bands and Year Type.**—The Equipment and Supply Branch requests that those concerned **carefully examine** their model dater to find out if year "1948" appears on bands, and if not, the dater should immediately be forwarded to the Equipment and Supply Branch, Ottawa, so that new bands may be placed thereon.

(10) **Similarity in Post Office Names.**—The attention of Postmasters and Railway Mail Clerks is directed to the similarity in the names of the following post offices:

Erieau, Ont.	Erin, Ont.
Waba, Ont.	Wawa. Ont.
Swan Lake, Man.	Snow Lake, Man.

Particular care should be exercised in the sortation of mail for the above offices.

(11) **Postage Imprinted Canada Air Letter Forms.**—Effective on or about September 1st, 1947, new postage imprinted Canada Air Letter Forms may be purchased at Post Offices in the same way as regular postage stamps.

They will be sold at face value in the 10c. (blue) and 15c. (red) denominations to cover both Canada Air Letter postage rates, and the necessary arrangements are being made for their distribution.

Canada Air Letter Forms (not imprinted) may still be purchased by firms who wish to provide their own letterhead so long as the type and the makeup have been approved by the Department.

The free distribution of Canada Air Letter Forms (not imprinted with postage) is to be discontinued on the abovementioned date, and any on hand should be returned to the Equipment and Supply Branch as soon as possible after August 31st, 1947, as Post Offices will then be permitted to sell only postage prepaid Canada Air Letter Forms.

(12) **Gift Parcels to Germany—Tobacco and Cigarettes Prohibited.**—It should be noted that, as outlined in the notice in the Bulletin of 25th January 1947, gift parcels addressed to Germany may contain only essential relief items such as food, clothing, medicine, and similar articles for the relief of human suffering.

It is accordingly to be understood that tobacco and cigarettes are excluded from gift parcels regardless of the address in Germany.

Whenever possible, mailers are to be informed of this restriction, and care is to be taken to prevent the acceptance of gifts of tobacco in any form for conveyance to Germany.

(13) **Netherlands East Indies—Registration Service Resumed.**—Registration service has now been resumed to those places in the Netherlands East Indies to which mail service is in operation.

(14) **Mail Service to Japan.**—Mail service to Japan has now been extended to include all classes of business correspondence, which was previously restricted to that ascertaining facts and exchanging information.

Page 181 of the Canada Official Postal Guide for 1947 and also "List of countries on which Money Orders may be drawn" in the Book of Financial Procedure for Accounting Post Offices are to be amended by the deletion of the word "Netherlands" and the substitution of the word "England" opposite Netherlands West Indies and Netherlands Guiana.

The maximum amount for which a Money Order may be drawn is £10 sterling or the equivalent in Canadian currency per remitter in any one day.

The amount which may be sent by any one remitter in any month must not exceed the equivalent of £25.

ORDERS ISSUED IN THE UNITED STATES DRAWN FOR PAYMENT IN THE UNITED STATES ARE NOT TO BE PAID IN CANADA

In the audit of United States Orders paid in Canada, it is noted that postmasters are paying United States Money Orders drawn for payment in the United States contrary to Rule 80, Book of Financial Procedure. When such orders are presented, payment is to be refused and the payee is to be advised that the order should be returned to the sender with a request to have a new order issued payable in Canada.

However, if the payee is a well known resident of the locality and it is believed that the order was in error drawn on the United States, payment is to be deferred and a form M.O. No. 61 P.M. is to be forwarded to the office of issue. Upon receipt of the form M.O. No. 61 P.M. showing that payment was intended to be effected in Canada the order is to be paid, date-stamped and claimed in the current Money Order Return. The notation "Paid per form M.O. No. 61 P.M." is to be written on the face of the order and the form M.O. No. 61 placed on file with the relative coupon (See Rule 80 (*a*) Book of Financial Procedure).

LAPSED MONEY ORDERS AND POSTAL NOTES MUST NOT BE PAID WITHOUT SPECIAL AUTHORITY

The Audit of Money Orders and Postal Notes disclosed that Money Orders and Postal Notes are being paid after they have become lapsed (viz:—one year from the last day of the month of issue) without the special authority of the Department being obtained as required by Rule 53, Book of Financial Procedure for Accounting Post Offices.

The date of issue of Money Orders and Postal Notes must be carefully examined before payment and under no circumstances may a lapsed Money Order or Postal Note be paid before receipt of authority therefor and payment of the revalidation fee

(2) **Parcels Prepaid at Parcel Post Rates Not Forwarded to Telegraph Creek, B.C., during the Season of Closed Navigation.**—Postmasters are reminded that during the season of closed navigation, which extends approximately from the 1st October to the 1st April, the weight of mail carried on this route is limited.

In the circumstances, persons tendering parcels for mailing prepaid at parcel post rates for Telegraph Creek, should be advised that the parcels will be held at Vancouver during the season of closed navigation.

(3) **Letter Carrier Delivery Service Established at Smiths Falls, Ontario.**—A Letter Carrier Delivery Service has been established at Smiths Falls, Ontario, and the name of this post office should be added in alphabetical order to the list in Section 11, Page 15, of the Postal Guide, at which points letters and parcels prepaid for special delivery may be delivered by special messenger. (See also Section 123 of the Postal Guide regarding special delivery of parcels).

(4) **Similarity in Post Office Names.**—Care should be exercised in the sortation of mail for Quarries, Ont., and Querry, P.Q.; Richwood, Ont., and Rockwood, Ont.; French River, P.E.I., French River, Ont., and French Cove, N.S.

(5) **Air Mail Service to Korea.**—Effective immediately, air mail service is resumed to Korea.

Correspondence prepaid at the air mail rate of 25 cts. per quarter ounce or fraction thereof, should be forwarded to "Vancouver Foreign" for onward despatch, instead of to Montreal as was the case before this air service was suspended.

(6) **International Reply Coupons.**—International Reply Coupons cannot yet be exchanged with Japan and, therefore, they should not be sold to mailers for transmission to that country.

(7) **Non-adhesive Customs Declarations (15B) and Despatch Notes (16B) Covering Parcels for Overseas Destinations.**—Parcels addressed to Egypt and Palestine must in future be accompanied in each case by a single copy of the non-adhesive Customs Declarations (15B), and by a Despatch Note (16B).

Advice has also been received that only one copy of Form 15B will be required for parcels to Switzerland, which should be securely attached to the usual Despatch Note (16B).

Postmasters will please amend Section 426, page 81, of the current Postal Guide accordingly.

(8) **North Borneo and Labuan.**—The territory of British North Borneo is now known as North Borneo. The Island of Labuan, formerly listed as being comprised in the Straits Settlements, will now form part of the Colony of North Borneo.

Postmasters should, therefore, make the necessary amendments in this regard opposite the relative entries in their copies of the Canada Official Postal Guide.

During the Christmas season there is an unusual parcel congestion at United States Customs points. Attention to these Details will facilitate clearance through the United States Customs.

To ensure delivery before Christmas, parcels for the United States should be mailed not later than December 10th.

(11) Christmas Gift Parcels Mailed in Canada for delivery in the United States. Customs Regulations.—Postmasters are informed that according to information received from the United States Administration, their position in this matter is as follows:—

"No dutiable merchandise may be admitted free of duty on the grounds that it is intended as a gift or present. However, in order to obviate the cost of collecting relatively small amounts of duty on parcels of inconsiderable value, customs officers are, by regulation authorized to pass free of duty parcels containing articles, the aggregate value of which is not in excess of $1.00, except tobacco, cigars, cigarettes and snuff, provided the merchandise is not imported for sale nor forwarded in a manner designed to avoid the payment of customs duty."

In this connection, Section 51 of the United States Official Postal Guide reads as follows:—

"51—Customs regulations applicable to articles from abroad:—

(b) no provision is made for the prepayment abroad of customs duty on mail shipments addressed for delivery in the United States.

(h) there is no provision of law or regulation whereby imported merchandise exceeding one dollar in value, whether sent as a gift or for other purposes, may be admitted free of duty if the merchandise falls within the dutiable schedules of the tariff act; furthermore, there is no authority for the free entry of samples generally, except that samples imported solely for use in taking orders for merchandise or for examination with a view to reproduction, and not intended for sale or for sale on approval, may be entered under bond for their exportation within 6 months from the date of importation, and this period may, upon application, be extended for a further period not to exceed 6 months (sec. 308 (3), Tariff Act of 1930)."

Enquirers should be informed in accordance with the above.

(12) Disposal of Advice of Non-Delivery Forms (CP 9) received from Other Countries.—Under certain conditions, the Canadian Post Office concerned receives direct from other countries advice of non-delivery forms (CP 9) and the relative correspondence covering parcels which prove undeliverable at destination.

It has been reported that, on occasion these forms are returned direct to the countries of origin by postmasters instead of being referred to the Department for final disposal.

The result of such action is that the Department has no record in case of further enquiry being received direct from Postal Administrations involved.

Postmasters are therefore requested to see, in future, that all such non-delivery forms and covering correspondence are referred in all cases to the Department to conform with the desired procedure.

(13) Non-Adhesive Customs Declaration Form 15B and Despatch Note Form 16B to be securely attached to Parcels.—Information has been received that in certain cases forms 15B and 16B are not being properly secured to parcels addressed to other countries for which they are required, but are being fastened with pins. This method of attaching these forms is not only unreliable, but also results in injury to those handling the articles.

In order to comply with the import regulations of the country of destination and so ensure delivery to the addressees, forms 15B and 16B must accompany parcels to the countries in question. Mailers should, therefore, be specially cautioned to exercise particular care in connection with these forms which **must not be fastened with pins,** but are to be folded and placed under the cord at one end of the parcel in such a way that half of the forms is on top of the parcel, the other half on the end. The cord should be very tightly fastened so that the papers will remain in place.

(14) Printed Matter to Latin American Countries.—Information has been received that in certain cases, considerable delay occurs in clearing from post offices, consignments of printed matter received from abroad in Central and South American countries. This involves additional expense for the Postal Administrations concerned.

In order to avoid delay in delivery and possible storage charges on printed matter, Canadian mailers are advised to exercise particular care in addressing such mail; the addressees should also be informed in advance, when such shipments may be expected, and thus ensure prompt clearance from the post office.

(15) Weight to be Indicated on Parcels for Overseas Destinations.—In order to expedite and facilitate handling in the exchange office concerned of parcels for overseas destinations, the gross weight in pounds and ounces of each parcel should, in future, be indicated immediately above the Adhesive Customs Declaration 91B thus—

7^{8} 9^{8} 10^{9} 15^{6}

It should be specially noted that this procedure will not be necessary as regards parcels addressed to the United States or the United Kingdom. When a new supply of Customs Declaration Form 91B is being ordered, a space will be provided for the purpose.

Postmasters will please take any necessary action in so far as their offices are concerned towards compliance with this request.

MONEY ORDER INFORMATION

MONEY ORDER DATE-STAMP TO BE USED IN STAMPING POSTAL NOTES

As directed in Rule 10B, Book of Financial Procedure, the rubber date-stamp used to stamp the dates of issue and payment on Post Office Money Orders must be used also for the same operations as regards Postal Notes.

It is essential that the pad and stamp be kept clean to assure distinct and legible stamping, and that, in affixing the stamp, care is taken to see that the name of the office, province and date are clearly shown in the impressions.

If the date-stamp in use is worn and no longer serviceable, immediate requisition should be made for a new stamp.

INFORMATION FOR POSTMASTERS

(1) **Christmas Day—A Holiday.**—Once again Postal employees may observe Christmas at home with their families, and there will be no delivery on the holiday.

There is every indication, however, that the Postal Service is to be confronted with another enormous volume of mail during the coming Christmas season. This makes it of supreme importance that every member of the service should do everything in his power to influence the public to "Mail Early for Christmas".

In view of the expected situation, it is imperative that patrons expecting timely delivery of their letters, cards and parcels should post well within the "deadline", and not defer mailing until the last day or so.

The final mailing dates this year are as follows:

For local Christmas mails..... December 19.
(Proportionately earlier for out-of-own points)

For mail to the United States..... December 10.

It might be explained to patrons that Early Mailing is primarily in their own personal interest as it enables the Post Office to deliver their gifts and greetings in time for Christmas Day.

The Department, on its part, has made every preparation to handle the Christmas mail volume, and to call public attention to the urgency for "Early Mailing" co-operation. The Department will make special appeals to the public for co-operation—householder leaflets will be distributed through the larger Post Offices—display posters will be furnished all Post Offices and stores in the larger cities. From the latter part of November a new motion picture will be exhibited in the theatres from coast to coast emphasizing the need for Early Mailing For Christmas. It is vitally important, therefore, that Departmental publicity should be supplemented by the individual endeavours of Postal personnel throughout Canada in this Early Mailing campaign.

(2) **Promotion.**—The Civil Service Commission has issued a certificate promoting R. H. MacNabb to the position of Regional Director of Postal Service (Prairies Region) effective from 1st April, 1947.

(3) **Charlottetown-Magdalen Islands Winter Air Stage Service.**—Postmasters are reminded that with the closing of navigation (about December 20) the ordinary SURFACE mail service to the Magdalen Islands will be discontinued.

In the circumstances parcel post mailed too late to connect with the last sailing to the Magdalen Islands will be liable to the following air parcel rates of postage.

15 cents per pound or fraction of a pound up to and including 10 lb.

$1.80	per parcel over	10 lb.	up to and including	15 lb.
2.40	"	15 lb.	"	20 lb.
3.00	"	20 lb.	"	25 lb.

Similarly, all copies of newspapers and periodicals will be subject to the air newspaper rate of 4 cents per pound when mailed by publishers to subscribers and 1c. per 4 ounces of fraction of 4 ounces to each separate address when mailed by the public.

The above instructions must be strictly observed.

(4) **New Winter Air Stage Service CAM 63 Dawson-Stewart River, Y.T.**—An air stage service is in operation between Dawson and Stewart River, Yukon Territory, during the season of closed navigation. This route is designated as CAM 63.

Flights are performed on the 1st and 15th of each month, the first flight being on November 1 and the last on May 1 of each year.

The rates of postage applicable to mail conveyed over this air stage service are as follows:

First Class Matter (letters)—4c. for the first ounce, 2c. for each additional ounce or fraction thereof.

Second Class Matter (newspapers and periodicals)—when mailed by the public, 1c. per four ounces or fraction of four ounces to each separate address. When mailed from the office of publication or from newsdealers to subscribers, 4c. per pound.

Third Class Matter (printed circulars, pamphlets, books, etc.)—1c. per two ounces or fraction thereof.

Parcel Post—30c. for the first pound and 25c. for each additional pound or fraction of a pound.

(5) **Letter Carrier Delivery Service Established at Cobourg, Ontario and at Preston, Ontario.**—A letter carrier delivery service has been established at Cobourg, Ontario and at Preston, Ontario, and the names of these post offices should be added in alphabetical order to the list in Section 11, Page 15 of the Postal Guide at which points letters and parcels prepaid for special delivery may be delivered by special messenger. (See also Section 123 of the Postal Guide regarding special delivery of parcels).

(6) **Proper Prepayment of "Rural Route" Letters.**—Postmasters are reminded that the rate of postage on letters posted on, or addressed for delivery on any rural mail route is 4c. for the first ounce, and 2c. for each additional ounce, or fraction thereof.

This rate applies regardless of whether

(a) the letter is addressed for delivery on the same rural route on which it is posted;

(b) the letter is addressed for delivery on a rural route starting from the office of posting;

(c) the letter is posted on a rural route and addressed for delivery in the city or town from which the route starts.

The foregoing should be brought to the attention of all postal patrons, in order that they may fully prepay letters posted on, or addressed for delivery on a rural route and thus avoid having such items rated up postage due, with resultant inconvenience to the addressees.

(7) **Use of Form 29B.**—The postal regulations stipulate that after publishers in Canada have been notified twice of the non-delivery of copies of their publications and of changes of address of subscribers any further copies received for the old address are to be returned to the senders enclosed in Form 29B, on which postage due in the amount of 1c. is collected upon delivery.

It has been observed that Form 29B is not being used as much as it should and in order that every effort may be made to have publishers keep their mailing lists up to date Postmasters are requested to see that the requirements of Sections 60 and 61 of the Postal Guide are strictly complied with in future.

(8) **Changing of Date Stamp.**—The attention of Postmasters is directed to the necessity of changing their office date-stamp at the beginning of the new calendar year to read "1948".

(9) **Calendars—To be Carefully Handled.**—At this time of the year business firms are preparing to mail quantities of calendars to clients and prospective customers throughout the country. The calendars are, in many cases, printed at considerable expense and are valuable not only to the recipient but to the business firm as an advertising medium.

It is important, therefore, that the calendars should be delivered carefully and Postmasters are requested to exercise care in the handling of these items during the course of post.

In the event of delivery not being effected and the calendar bears a return address on the cover, the calendar should be returned to the sender.

(10) **Similarity in Post Office Names.**—Care is to be exercised in the sortation of mail for Ocean Park, B.C., and Ocean Falls, B.C., and also for Alberni, B.C., and Port Alberni, B.C.

(11) **Re: Cash Remitted to Bank.**—Postmasters are requested to amend the first paragraph of Section 181 of the Book of Financial Procedure for Accounting Post Offices to read as follows:

"When there is a daily mail service, the Postmaster must remit daily all surplus funds in his possession when they exceed by $10.00 the amount of his authorized reserve. If the mail service is less frequent than daily, the remittance need only be prepared in time for despatch on the mail day. (For final remittance at weekly Accounting Offices see Section 183.)".

(12) **Cancellation of Postage Stamps Protect Post Office Revenue.**—One of the first duties of a Postmaster is to see that postage stamps on mail are effectually cancelled in such a way as to prevent their re-use and consequent loss of revenue to the Department.

It has come to the attention of the Department that in a great many instances postage stamps are being very imperfectly cancelled; so much so that it would be a comparatively easy matter to clean and again affix them as prepayment on other mail.

This is apparently true as regards postage stamps of the higher denominations on parcels and other packets which are frequently too lightly touched or missed altogether by the rotary or hand roller cancelling stamp, owing to the pliant nature of the contents. Care must, of course, be taken to avoid injuring the contents when cancelling postage stamps on parcels.

On the other hand while it is absolutely essential that postage stamps should be effectively cancelled, yet this should be done so that the obliteration marks will not mutilate or deface the stamps so as to destroy their usefulness from a philatelic point of view.

(13) **Distinct Impression of Date Stamp Essential.**—When date stamping letters, post cards, bag labels, insured parcels, insurance receipts, C.O.D. articles, C.O.D. tags, registered articles, registration receipts, A.R. forms, money orders, postal notes, requisitions, or any other post office forms, or when back stamping incoming mail, the greatest possible care must be taken to see that a clear and distinct impression of the dating stamp is made in every instance.

An indistinct or blurred date stamp impression causes inconvenience and hinders proper investigation in the event of enquiries relative to delayed or mistreated mail.

(14) Delivery of Registered C.O.D. Articles.—Reports have reached the Department that at some post offices the addressees of registered C.O.D. articles are not being required to give a signature for such articles.

In future when delivery of a registered C.O.D. item is being effected, the signature of the addressee (or his recognized representative) must be obtained on the Registered Articles Delivery sheet or book.

A notation "See Registration Record" is to be made in the space provided for the signature on the back of section 4 of the C.O.D. tag.

When delivery is effected through the Registration Wicket, the notation is to be made by the delivering Postmaster or employee.

In the case of delivery by letter carrier this notation is to be made by the clerk to whom the carrier turns in the C.O.D. collection charges.

(15) Parcels Originating Outside Canada.—Instances again have occurred where parcels and packages originating outside Canada and on which duty was chargeable, have been delivered to the addressees without first having been referred to the Customs for inspection.

In consequence thereof, Postmasters and postal employees are reminded that any parcel or package originally posted in any country outside Canada is not to be delivered to the addressee unless stamped by the CUSTOMS either "DUTY FREE" or "DUTY PAID".

Any parcel or package found not so stamped is to be **Submitted Without Fail to the Customs for Inspection** before delivery is effected.

(16) Non-adhesive Customs Declarations (15B) and Despatch Notes (16B) covering parcels for Overseas destinations.—Parcels addressed to Iraq must in accordance with the usual procedure be accompanied in each case by two copies of the non-adhesive Customs Declaration (15B) and by a Despatch Note (16B).

(17) Apples and other fresh fruits prohibited in Parcel Post shipments to countries other than United States and Newfoundland.—The Dominion Department of Agriculture, Ottawa, requests that attention should again be drawn to the fact that the export of apples by parcel post to countries other than Newfoundland and United States is still prohibited. This is in accordance with the regulations pertaining to Apple Maggot and for the reason that apples, like other fresh fruits, also prohibited transmission to other countries by parcel post, would decompose in transit.

Parcels containing fresh fruit including apples should therefore not be accepted for transmission by mail to countries other than the United States and Newfoundland. Prospective mailers should be advised accordingly.

(18) Certain Articles of Merchandise—Temporarily Prohibited Importation into Mexico.—Information has been received from the Postal Administration of Mexico that the articles listed below are temporarily prohibited from admission to that country, under regulations of the Mexican Import Control Commission:

Fresh and preserved fruits.
Preserved meats, even containing some vegetable matter.
Cosmetics; perfume; toilet kits.
Jewelry, precious or nonprecious.
Clothing made of wool or cotton and decorated with metal or silk.
Cotton shirts and underwear.
Hosiery of silk mixed with other fibres.
Hosiery, other than silk.
Silk girdles or belts.
Oiled or waxed cloth.
Velvet cloth made of cotton or artificial fibres.
Velvet cloth made of wool or other animal fibres.
Carpets of wool or other animal fibres except silk.
Leather garments.
Purses, cardcases, and billfolds made all or partly of leather.
Tanned hides.
Pictures, statues, and antiques at least 100 years old.
Fountain pens, pencil-holders, and penknives not of fine metal, even with silver, gold-plated, or gold parts.
Watches, wrist or pocket.
Worked glass and crystal in pieces, with or without mountings or decorations.
Advertisements, calendars, and price lists on single sheets (prohibited after January 1, 1948).

Prospective mailers should be advised wherever possible that such articles should not be sent to persons in Mexico unless the sender has received assurance that the addressee has been granted special permission to receive the contents, in which case the wrapper of the letter package or parcel should then be endorsed "Importation into Mexico specially authorized".

(19) **Addressing of Mail for China.**—Advice has been received from the Chinese Postal Administration that difficulty is being experienced there due to the great number of letters received from other countries bearing incomplete addresses.

It is most important that letters bear the complete address in Roman characters (English, French, etc.) and it is advisable in the case of letters to China, to have the details of the address shown also in Chinese characters in order to facilitate delivery. Persons offering mail for China should be advised accordingly.

(20) **Mail Service to the Dodecanese Islands.**—Effective immediately, the service for sample post is resumed to the Dodecanese Islands, under normal conditions including the weight limit of one pound.

(21) **Mail Service to Manchuria.**—The Postal Administration of China has advised that mail matter for Manchuria should not be addressed to "Manchukuo", and any correspondence bearing this name will be returned to origin. "Manchuria" is the correct designation for this territory.

Canadian mailers should, so far as possible, be informed accordingly.

(22) **Mail Service to Manchuria.**—It should be noted that mail service is available to the Chinese Post Office at Moukden in the Postal District of Liaoning.

Shenyang is the Chinese equivalent for Moukden, and the necessary indication (Moukden) should be made in the list appearing in Weekly Bulletin of August 30th 1947 Notice No. 3.

(23) **Mail Service to the Netherlands West Indies.**—The Postal Administration of the Netherlands West Indies have advised that the service for letter packages containing articles of commercial value has been temporarily suspended to that territory. Saba lace, films sent for development, and articles forwarded for repair will, however, still be permitted entry in such letter packages.

Whenever possible mailers should be advised accordingly.

(24) **Parcel Post Service—China.**—With reference to the notice in the Weekly Bulletin of 21st September 1946, the Postal Administration of China has announced that in the interests of the public it has been decided that postage at the domestic Chinese parcel post rate, in addition to the regular international rates applicable will no longer be collected from the senders or addressees in connection with parcels originating in, or destined to, China.

This surtax collected in China did not affect the parcel post rates from Canada to that Country, and consequently its removal will not result in any change in these rates.

(25) **Parcel Post for Fiji.**—Owing to lack of sailings on the direct route from Canada to Fiji the direct parcel post service is temporarily suspended.

Parcels will continue to be forwarded via the United States if prepaid for despatch by that route and endorsed accordingly.

Postmasters should bring this to the attention of prospective mailers.

(26) **Parcel Post Service to India.**—The Postal Administration of India has requested that, in view of complaints recently received, mailers should follow the procedure outlined below in order to avoid delay in delivery of commercial parcels in India.

A duplicate of the invoice, bearing the official certificate of origin, should be enclosed in the parcel, and this fact should be indicated on the non-adhesive Customs Declaration form 15B by means of a rubber stamp or a notation to this effect.

The price of the goods shown on the Customs Declaration should include the commissions of the supplier and the purchaser. The value of each article in the parcel should be declared separately; and the postage prepaid as well as the amount of the insurance on the shipment should appear on the Customs Declaration just above or below the words "Total Value".

(27) **Parcel Post Rates to Norway via England.**—As a result of the revision in the charges, Canada is required to pay for the conveyance of parcels from Canada to Norway via England, the rates of postage have been altered and until further notice will be as follows:

1 lb.	$0.65	6 lb.	$1.45	Over 10 lb.	Over 15 lb.
2 lb.	0.75	7 lb.	1.55	up to 15 lb.	up to 20 lb.
3 lb.	1.10	8 lb.	1.90		
4 lb.	1.20	9 lb.	2.05	$3.00	$3.75
5 lb.	1.30	10 lb.	2.15		

Gift parcels may not be insured.

(28) **Parcel Post Service to the Philippines Republic.**—With reference to the notice in the Weekly Bulletin of 13th September 1947, regarding the resumption of parcel post service to the Philippines it should be noted that not more than two parcels per week, to different addressees, may be mailed by any one sender in Canada, for delivery in the Philippines.

Whenever possible mailers should be advised accordingly.

When such orders are presented, payment is to be refused and the payee is to be advised that the order should be returned to the sender with a request to have a new order issued payable in Canada.
